CONSTITUTION AND BY-LAWS

Article 1. This body shall be known as the Buncombe Baptist Associati on.

Membership

Article 2. (Sec. a.) It shall be composed of regularly constituted Baptist churches in Buncombe County and adjacent territory who shall be represented at its regular or special meetings by duly elected messengers in the following ratio:

(1) Two for the first hundred members or fraction thereof and one for each hundred additional.
(2) All ordained ministers who are members thereof or laboring in connection therewith.

(Sec. b.) The Association shall be sole-judge of its membership and may receive or reject churches applying for membership therein at its pleasure, provided: the churches so received shall agree and come under the watch-care of the Association for a period of one year. It is understood that during this period of probation such church or churches shall be entitled to all the rights and privileges of the Association except that of voting. At the conclusion of this period should no objection be had they then become members in regular standing without further action by the Association.

(Sec. c.) The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice or that fails to represent itself either by messenger or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

(Sec. d.) Any church may withdraw from the Association at its pleasure.

(Sec. e.) Any church requesting membership in this Association shall be required to attach to their petition for membership a copy of the Articles of Faith and Church Covenant as adopted by the church at its organization or before filing of its petition of membership.

Objects

Article 3. The objects of the Association shall be to devise and promote measures for increasing the harmony, intelligence and spiritual power of the churches and to direct, promote and develop their energies in advancing the Redeemer's Kingdom throughout the earth, more especially along the lines recommended and adopted by the Southern Baptist Convention, the State Baptist Convention and the Association itself.

Power and Prerogatives

Article 4. The Association shall have no power whatever to infringe upon the rights of usefulness of the churches. It may advise or recommend measures of usefulness for their adoption and guidance but cannot bind them in any way. All the churches constituting the Association remain sovereign and independent bodies and unite only that they may more effectively promote the cause of Christ throughout the world.

Duties of the Churches

Article 5. It shall be the duty of each church to appoint as far as practicable their most capable and efficient members as messengers—to insist upon their attendance and to send with them a contribution toward the expenses of the Association, the printing of the Minutes and such other items deemed necessary by the Association. It shall send annually a letter to the Association giving the following information—1. Location. 2. Name of the pastor and clerk and their post office addresses. 3. The terms of regular services. 4. All church statistics for

the current year. 5. Names and addresses of the responsible officers of all church organizations. 6. The amount contributed by the church and each several organizations to all objects fostered by the Association. 7. Names of messengers and alternates. 8. Article 6. (Section a.) The officers of the Association shall be a Moderator, Vice-Moderator, Clerk, Treasurer, Historian, Associational Sunday School Superintendent, Associational Training Union Director, Associational W.M.U. President, Associational Brotherhood President, and Board of Trustees consisting of five members to serve at the will of the Association as the body corporate. All officers shall be elected at each annual session, and shall be installed and assume their duties at the closing period thereof and continue said duties until their successors are elected and installed at the next annual session, unless removed for cause, or until their successors are appointed.

(Section b.) All officers and all members of all committees shall be members of churches affiliated with the Association.

(Section c.) The term of office for the general officers of the Association shall not exceed two years in succession with the exception of the Board of Trustees, the Clerk, the Treasurer and heads of the Organizations of the Association who may be reelected to succeed themselves in office at the pleasure of the Association. The term of all members of committees shall be for one year except those committees having rotating membership covering a term of years of service. Not more than two members of a committee may succeed themselves until at least one year has elapsed after their official term has expired. No member of the Association may be permitted to hold membership in more than one committee during one year, except in the case of the members of the Executive Committee, and Missions Committee.

(Section d.) The Association shall be divided into districts so as to better promote the work in the Association. The districts shall be arranged in accordance with the will of the Association.

Rules of Order

Article 7. The Moderator, or in his absence the Vice-Moderator, shall preside at all regular meetings. All officers shall faithfully discharge the duties usually pertaining to the office to which they have been elected. The following rules shall govern deliberations.

(A) All business shall be conducted and all discussions shall be carried on in the manner prescribed in Roberts Parliamentary practice.

5. The Committee on Ordinations.
This committee serves in an advisory capacity only. The committee should examine such candidates for the ministry as come before it as to their call and fitness for the Gospel Ministry and make recommendations as they feel led to the church of which one is a member about his being ordained and help plan and arrange the proper services of ordination when such assistance is needed. The Promotional Committee should be informed regularly of the work of this committee.

ASSOCIATIONAL MISSIONARY'S REPORT

As we come to make our first report to the Association, we feel that we have been privileged to work with the finest group of Christians to be found anywhere. We have found cooperation far beyond what we had expected. We give below a brief summary of the activities of the first four months — March - June:

Travelled 12,000 miles
Met with 23 committees
Attended Southern Baptist Convention
Attended the Training Union Regional meeting in Brevard
Attended the annual WMU meeting two days (spoke each day on Cooperative Program)
Attended the special session of the State Convention at Greensboro
Attended the Annuity workshop for region 9
Directed the survey for the Monta Vista Area
Spoke at 2 brotherhood meetings
Assisted 2 churches in ordaining deacons
Spoke at the dedication of Oteen Parsonage
Attended the ground breaking service at White Rock Church
Taught in 4 study courses
Preached in one revival and served as interim pastor in another
Met with the ordaining council
Preached 38 sermons
Conducted 2 Vacation Bible School Clinics
Since March first I have been in 55 churches and observed the Lord's Supper at Anderson Cove
Bulletins and letters mailed 8,000

My prayer for the coming year is that we may work together in the spirit of Christ our Saviour, under the leadership of the Holy Spirit to the end that the Will of God shall be done in our Association.

E. V. Plemmons, Missionary

SUNDAY SCHOOL REPORT

The Associational Sunday School meetings were held quarterly in the Calvary Baptist Church under the leadership of the Reverend H. E. Davis, Associational Sunday School Superintendent. The biggest problem in this work has been that some of the churches that are supposed to be cooperating in the association schedule meetings in their churches on the one night a month which we ask that they reserve for associational meetings.

Those who work in the Sunday School work are delighted to have the continued help of Mrs. J. C. Pipes and the new help of the Reverend E. V. Plemmons, Associational Missionary.

The plan of quarterly meetings instead of monthly has been satisfactory in the Sunday School work.

Perhaps the most rewarding phase of the associational Sunday School work has been the summer vacation Bible School work under the leadership of Miss Pauline Snelson.

The Vacation Bible School work shows a considerable gain over 1960 in many respects. However, we did not reach every church with a Bible School as we had hoped. This year we had 84 schools which is a gain of 7 over last year. There were 15 churches in 1960 that had no school. This year there were eight that did not have schools. Many boys and girls made professions of faith in the Bible Schools this year. Several churches report standard schools — Biltmore, Westwood, Liberty, Ridgeway, Trinity, Beaverdam and Reed Memorial. Last year only one district (Biltmore) was 100% in VB Schools. This year, 1951, seven districts were 100%. They were North Buncombe, Asheville, Mt. Carmel, W. Asheville, Hominy, Enka and Biltmore.

TRAINING UNION REPORT — 1961

Training Union is just what the name implies. Its programs and activities provide training, and the members make it a union. There is a union for each age group of Christians and for all the children.

The greatest need as expressed by pastor and officers in any church is for more trained leaders. How can these be secured unless we train them?

The Buncombe Association is comprised of 89 churches. Sixty-five of them have a training union and 24 do not have. Eight have had unions and do not now have. Unions have been organized in five churches this year.

Central Training School was held this year with approximately 450 awards from 39 churches. Fifty-one churches have earned 4,281 study course awards during the first 10 months of the year. The total number of awards for the first five months of the year was 2,322. This is a vital part of the training program.

"M" night was held at Asheville, First on December 5. 958 were present from 48 churches, and 42 pastors attended.

Youth Week was observed in 25 churches and was climaxed by Youth Night on April 9. Nine churches were represented by young speakers in the tournament at that time.

All age group contests were held in the association and representatives were sent to the Regional Convention, which was held in Brevard. Mrs. Pat Allen of Trinity Church won the Scripture Reading and represented the Region in the state reading at Fruitland. 41 Juniors also went to the state contest in memory work.

District Training Schools were held in West Asheville, Mt. Carmel and Fairview Districts. One is planned in the Hominy District for October. The Training committee of the Association would be happy to see a training school in each of the ten districts this year.

If churches are to move forward and make progress in the years ahead, training is not optional. It is a must. Pray with the leaders that each church will have a program of training within the coming year.

Mrs. F. C. Miller, Sr.
Associational Director

REPORT OF WOMAN'S MISSIONARY UNION

During the past year the WMU has had as its watchword, "For the Love of Christ constraineth us", 2 Cor. 5:14, and the hymn has been "Christ for the Whole Wide World". Just how much this watchword and hymn have influenced our activities in the Buncombe Association is a question, but it is encouraging to know there are those who are constrained by the love of Christ to promote the cause of missions.

It is hoped there have been evidences of progress in the WMU family and this is attested by the fact that more reports have been coming in, especially from some of the newer organizations. We welcome new work at the Corinth church in the Mt. Carmel District. New Morgan Hill has awakened out of sleep and become active again as has Pine Burr Park. Reports show that Pine Burr Park is doing an especially good work with Mrs. Hobart McFall as the President. Antioch and Morgan Hill in the North Buncombe districts are also showing signs of work being well done. We are grateful for each of these as well as all other organizations in the Association.

Our last annual report showed the following statistics: 6 new organizations; total number of organizations, 2,111. There were 89 circles reported in the Woman's Missionary Societies and the total membership of all organizations—WMS. YWA. GA and Sunbeams was 3,750. One hundred forty-five women had taken leadership training; 2,112 subscriptions to the WMU magazines were reported; 238 mission study books were taught with 1,553 people reading a book; 131 organizations had observed at least one of the seasons of prayer for missions; 134 organizations had participated in planned community missions; 3,006 people made gifts through the Co-operative Program, and there were 1,738 tithers.

As to meetings, an association wide leadership conference was held at the First Baptist Church with the associational officers leading and more than 1000 people were enrolled in the various classes. Under the direction of Mrs. Perry two mission study institutes were held and of course, we had our annual meeting at Morningside Baptist Church. A feature of this gathering was a diaper shower for the Baptist Hospital at Winston-Salem when 666 diapers were contributed. Others who did not get theirs in mailed them later to the hospital, so it can be safely said that more than 700 diapers were contributed. We had as our missionary speakers for this meeting Rev. and Mrs. Bertis Fair, workers among the migrants of our convention territory. Mrs. R. L. Costner was the State representative.

Woman's Missionary Union joins in welcoming Rev. E. V. Plemmons as our Associational Missionary and we pledge to him our cooperation as he promotes missions in the Association. Gratitude is expresed to Mrs. J. C. Pipes for her diligence in serving us both while we were without a missionary and since Mr. Plemmons came in. She has been helpful in many ways and we lean upon her greatly.

We are approaching the end of our WMU year which is September 30 and as we enter upon a new one our prayer is that the love of Christ may constrain us to give Christ to the whole wide world.

Respectfully submitted,
Vonnie E. Lance, President

BROTHERHOOD REPORT

The 1960-61 associational year was significant for Baptist Brotherhoods in North Carolina. On October 1, 1960, a new plan of organization went into effect. It now appears that every Brotherhood in the state is organized on the new plan. The Brotherhood Department gave special emphasis to leadership training. Good attendance was reported for many associational Brotherhood workshops for church Brotherhod officers. Seventy-five men attended the Brotherhood weekend at Fruitland where they received instructions on how to teach the **Church Brotherhood Guidebook.**

One of the most significant events of the year was World Missions Week at North Carolina Baptist Assembly near Southport. Eleven hundred men, women, boys and girls were in attendance. This week is sponsored jointly by Brotherhood and the Woman's Missionary Union of North Carolina and is an annual missionary emphasis.

In the ten Regional Conferences, the Brotherhood cooperated with the North Carolina director of Retirement plans and the Annuity Board of the Southern Baptist Convention in presenting the Protection Plan for pastors.

During the year the Brotherhood Commission published **Effective Christian Witnessing** by Nelson Tull. This book is to be used by the Brotherhood to teach men how to witness for Christ to lost people. In October the Brotherhood Department will conduct 6 Christian Witnessing Leadership Workshops for the purpose of preparing men to teach this book in their churches. In cooperation with the Brotherhood Commission and the Baptist Convention of Ohio, the Brotherhood Department sent 20 men to Ohio for special mission work. These men were led by Paul Drake, Captain, USMC, of Morehead City. These men engaged in personal soul winning and conducted services during their week-long stay in Ohio. At the close of the week two new missions were established. As a result of the excellent work which these men did, the Ohio Convention has requested that we send 100 men for a similar crusade next year.

The Royal Ambassador Program is undergoing a change in organizational plan beginning October 1, 1961. The new Plan will be as follows: Crusaders (9-10-11 year olds), Pioneers (12-13-14 year olds), Ambassadors (16-16-17 year olds). This new plan offers many possibilities for leading boys in missionary education.

Plans are still being made to develop a State RA Camp near Asheboro in the next few years. A site has been selected and preliminary plans for developing it have begun.

We believe that through Brotherhood and Royal Ambassadors Baptist men and boys will be challenged to take a more active part in the churches' efforts to bring the Gospel to the whole world.

ASSOCIATIONAL CHURCH MUSIC REPORT

With the Associational Music Director serving as chairman, the associational music committee attempts to develop an associational music education program that can benefit each church, encourages the development of a music ministry in each church, sets the dates for, and promotes festivals, hymn sings, schools of music, and other activities, and works closely with the State and Convention-wide music departments, co-ordinating their activities with association plans.

During the past year the following activities were sponsored by the Music Committee:

In August a massed choir and other special music was furnished for the Annual Association Meeting.

In September the Associational Music Director attended a Regional Planning meeting in Charlotte, and later conducted Associational Music Planning meetings in the Tennessee River, French Broad and Tuckaseigee Associations. Our own Association Planning meeting was held on October 11.

On November 14 our Associational music officers attended the State Music meeting which preceded the State Convention. Calvary church in Asheville was host for the meeting.

On December 5 the Association Music Director led the singing for the Annual "M" night and the Association Male Chorus sang under the direction of Mrs. Glenn Starnes.

In place of an Associational Carol Sing, several churches of the Association joined together to present Handel's "Messiah" on December 11, with 110 in the chorus. We hope to make this an annual presentation, with many of our churches participating. Although a general Carol Sing was not held, several of our churches sang carols in Pritchard Park during the week preceding Christmas.

Two music study books were taught during the Central Training School the week of February 6.

The Regional Choir Festival was held at Asheville First on March 2nd, with the largest representation from churches of our association. Most of these later went on to the State Festivals in Wake Forest on April 22 and Mars Hill on April 29th.

In addition to these general meetings, the Music Committee met on the second Tuesday of each month for a luncheon meeting and many of our people attended the Music Leadership Weeks at Ridgecrest and Caswell.

We urge that each church initiate a local training program during the coming year, either with music classes or a local school of church music. We hope, too, that even more of our churches will participate in the Regional and State Festivals, and will sponsor attendance at the Music Leadership weeks at our State and Southwide Assemblies.

Respectfully submitted,
Carl Perry,
Associational Music Director

ASSOCIATIONAL COUNCIL LIBRARIAN'S REPORT

We are glad to report that our Library Council has been very busy this past year, meeting in different churches to help stimulate a desire to start a library in those churches that do not have one.

We can now report 30 churches with libraries or in the process of starting one and fifteen others making plans for a library in their new buildings.

We believe every church in our Association can have a library be it a very small one using a folding cabinet or a room in the church building. We also believe that there is a person or persons in each congregation who are capable and have the desire and talent to lead out in this important Christian work. The book ministry gives an opportunity to serve our Lord and church.

Please let us suggest to those churches that do not have a library that you go to your pastor and volunteer to help him start one in your church. It has been said that the church librarian stands next to the pastor in the ongoing of the Kingdom work. By placing a good book or Bible in the hands of a boy, girl, man or woman many souls may be saved.

There is a great need now for all of us to read more and think more seriously about the future and hereafter.

My friends, God's clock is still running and it is high time that each of us should get busy and win souls for the Lord. One good way is by placing good literature, a book or Bible before our children and young people. The reading of one Bible verse or good book has been known to change lives.

It might be interesting to know our Church Library Convention held its fourth annual meeting at St. John's Church in Charlotte last April 29th with some 250 attending. Next year we will meet at First Church, Raleigh, so let's all get busy to help make our Council and Convention a success. God is all powerful and He has promised us power if we will do His Will. Let's claim this power by helping establish new libraries.

Respectfully submitted,
M. H. Cox, Librarian
Buncombe Association Council

EVANGELISM REPORT

Winning people to Christ is the first and primary work of every Christian and every church. Vernon Yearby very aptly answers the question as to what is successful evangelism. Says he, "Successful evangelism must be New Testament evangelism. Successful evangelism must be Holy Spirit inspired. Successful evangelism must be prayed for and sent from God. Successful evangelism must be church-centered and Christ-honoring. Successful evangelism must be born in the broken hearts of God's people. Successful evangelism must use God-glorifying methods directed on the well-ordered avenues of planned action. Successful evangelism includes intensive revival efforts, week by week perennial evangelism emphasis, and sustained guidance in spiritual growth".

All of these things as Southern Baptist we must include in our program of reaching people for Christ. We are now in the midst of the Baptist Jubilee Advance which reaches its culmination in 1964 with a great revival effort. We had a Clinic this past spring, and there is to be another on November 3rd under the direction of Dr. Julian Hopkins. There are still thousands that live all about us and are not reached for Christ. In cooperation among the churches and in the churches, the great word is "Planned Action".

REPORT OF COMMITTEE ON LOCATION OF NEW CHURCHES

Your committee on the Location of New Churches has discharged every duty that has been presented. We have located no new churches, but have met with and worked with the missions committee in discussing areas and making surveys. It is our hope that in another year this committee will be actively employed, as we have several areas that need attention.

REPORT OF ORDINATION COMMITTEE

A presbytery representing the churches of the Buncombe Baptist Association and Rev. Guy Cain, General Missionary for the Baptist State Convention of North Carolina, met at the request of the First Baptist Church of Asheville, N. C., at 2:30 P. M. Saturday, April 8 for the purpose of examining a candidate for the Gospel ministry. We found this man to be worthy of representing our Lord and this church in the ministry. Therefore we recommend that the First Baptist Church of Asheville, North Carolina ordain Clive Buttemere to the Gospel Ministry.

Guy Cain

MISSIONS COMMITTEE REPORT

The Missions Committee met on three different occasions during the year and the following actions were taken:

1. A survey of the Monte Vista Road Section was taken with the following churches cooperating: Hominy, W. Asheville, Grace, Enka, Edgewood, Starnes Cove and Liberty. The Rev. E. V. Plemmons, Associational Missionary, directed the survey. The results of the survey have not been completed at this report, but to date 75 Baptist families are found to be living in this section. It is suggested that the new Missions Committee continue work in this area.
2. On a motion by the Missions Committee, The Promotion-Executive Committee of the Buncombe Baptist Association voted approval to the advisability of starting a mission on Riceville Road to be sponsored by the Beverly Hills Church. Plans for making a survey of the area are now being made.
3. The Promotion-Executive Committee voted approval of a motion by the Missions Committee that the Weaverville Church sponsor a mission in the Reams Creek Section.
4. The Promotion Executive Committee approved a motion by the Missions Committee that survey work be done around the Pisgah View Apartments with regard to starting a mission in that section.
5. The Committee also discussed with the Missionary his work and time schedule and voted to advise the Association that Saturday of each week should be considered the Missionary's day off.

Respectfully submitted,

SEMINARY EXTENSION REPORT

A report from this committee has not been in the Associational Minutes to this writer's knowledge, since prior to 1954-55. If, for no other reason than that, this report is warranted if we are going to appoint this committee year by year, though apparently it has done no active work since 1954-55 when the last Seminary Extension Courses were taught in our Association.

The fact that this report has not been published in our minutes does not mean this work is not important. Indeed, to the contrary, we may be neglecting one of our more important ways of getting theological and religious education courses as provided by our six SBC seminaries. The Seminary Extension Department provides adult theological extension service to pastors and other interested Christian workers who cannot, due to myriad reasons, receive existing institutional instruction.

The Seminary Extension Department carries on work in 42 states with a director and five field associates. Thirty four courses are offered in the curriculum, giving one a chance to study a variety of theological and religious education courses. In the fall of 1960, extension centers operated in 107 locations, enrolling 1,867 persons in 2,648 courses.

On August 1, 1961, Dr. Ralph A. Herring, former pastor of First Baptist Church, Winston-Salem, became the director of the Seminary Extension Department of the SBC. Under his able leadership it is our hope that our own association will once again see the importance of this theological instruction made available for us. In view of the 30,000 Movement and the need for more trained workers, it is imperative that once again our association take an active part in making available to all interested persons these courses of theological instruction as offered by the Seminary Extension Department.

Member of Seminary
Extension Committee 1960-61

CHRISTIAN EDUCATION REPORT

The Baptists of North Carolina are faced with many challenges today. One of these challenges is Christian Education. Aware of the responsibility of training for Christian Witness seven colleges have been established. Each college has grown as funds have been provided. The tragedy is that the student applications have grown faster than funds are provided. Aware of this condition the Baptists of North Carolina are asking each church to increase their giving through the Cooperative Program to 35% during the years 1962, 1963, 1964. During this three year period the Baptist State Convention has been asked not to increase its budget to exceed more than 5% of the previous year. That means that the most of our giving increased through the Cooperative Program will go to Christian Education.

If we offer a Christian Education to our young people we must do more than we have ever done in providing buildings, teachers and equipment.

In the light of the growing needs of our colleges we the committee on Christian Education urge each church to increase its gifts through the Cooperative Program that these needs may be met.

Howard Laney, Chairman

REPORT OF TRAINING COMMITTEE

This year the plan of the use of a co-chairman of Training has permitted the application of more effort toward the group training schools. Several districts, including Mt. Carmel, a combination of the West Asheville - Enka Districts, and others have had such schools.

Training is promoted by a fourfold effort. The Central Training School, the district training schools, training courses within the individual church, and individual home study. Courses of study as are now provided by the Sunday School Board of the Convention offer the widest range of interest studies and no church needs remain without adequate, trained leadership for all of its activities.

The change of date for the Central Training School enabled us to miss the bad weather, and the school was able to continue for the full week. Six hundred, seventy two were enrolled in the school which offered some thirty-seven courses in all areas of church life.

The date for the Central Training School next spring is February 3-9, 1962.

Respectfully submitted,

Alden Angline, Chairman

HOSPITAL REPORT

In one year our hospital serves around 17,000 bed patients. In the same period 150,000 visits are made to the clinics and offices. Our hospital enjoys a wide reputation for its medical treatment, skilled surgery and spiritual guidance.

On July 30th the National Broadcasting Company gave a thirty minute coast to coast broadcast of the work of the hospital. Only distinguished services could deserve such consideration.

The new Progressive Care unit affords lower costs to patients who are able to walk to their meals and to the doctor's offices. One can stay in this unit for as low as $7.00 per day. This 80 room unit releases 80 beds in the hospital for bed patients.

The only way we can support this work is to plan for it, to make somebody in each church responsible for it. Inform our people of the needs and they will respond with their gifts.

If the work of our hospital is not the Lord's doings, then let us forget it. If we recognize it to be the work of the Lord, then in his dear name let us support it with our prayers and gifts.

J. H. Lackey,

Chairman of Committee

BAPTIST CHILDREN'S HOMES REPORT

The Baptist Children's Homes of North Carolina is a Christian agency providing love and care for more than 800 deserving boys and girls annually. These are dependent and neglected children who, for some reason, have found it necessary to live away from their homes.

Your child care ministry is child centered, Christ centered and church centered. It is based on the redemptive plan of God. These children have lost their parents through a number of ways. Workers use all the skills available, plus the help of God, to establish in these children trust in adults, trust in self and trust in God.

Boys and girls live at Mills Home, Kennedy Home and Odum Home. One hundred twenty five children live in Christian Foster Homes throughout the State. Some mothers who have lost husband and father receive financial grants in the home which enables them to keep and care for their own children. Well trained case workers are spending an increasing amount of time working with and strengthening families.

It became necessary during the past year to reduce the number of children in Foster Home care by 35 boys and girls. At one time we were caring for 162 children in Foster Homes. We now have 127. This trend can be changed only as we have additional income. Many types of service to children in need are being delayed for lack of money.

Our financial support for this year has come from the following sources:

Thanksgiving Offerings	32 Per cent
Cooperative Program	32 Per cent
Once a Month Offerings	18 Per cent
Special Gifts and Endowment	17 Per cent

Members of the Board of Trustees, members of the staff and our boys and girls wish to thank you for your generous support. You have given these children love, food, clothing, shelter, schooling, medical care, recreation, guidance, music and hundreds of other benefits.

One third of our support comes at Thanksgiving time. The Thanksgiving offering goal for 1961 is $400,000.00. Help this to become a reality!

You may stay informed about the child care program throughout the year by reading Charity and Children. This newspaper is published each week by the Baptist Children's Homes. It is now in its 75th year and circulation is higher than ever before—well over 52,000. Every family in every church should receive this Christian newspaper.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

(Associational Report for 1961)

North Carolina Baptists can be justly grateful for their Christian ministry to 125 residents in their three homes—Resthaven and the Hays home in Winston-Salem, and the Albemarle. With 130 people waiting for admission at the present time, lack of room is one of our most acute problems. North Carolina Baptists, however, are doing something about this situation. The Hamilton Home, now under construction in Martin County, is proof positive. This our fourth will provide for thirty additional residents. It is hoped that the Hamilton Home will be ready for occupency no later than the first of January 1962. A debt of $275,000 has been assumed on this Home, and for the purpose of completing the liquidation of the indebtedness on the new infirmary at Winston-Salem.

We are now in the eleventh year of operation and the past year has been a great one and a good one. Twenty six new residents have been received and are now finding happiness and peace, love and security, in their new home. The special day offerings are running 17% ahead of last year's contributions, and we are profoundly grateful to each church and to each individual for the liberal support to the wonderful cause which we represent.

The appointment of Mr. C. O. Weaver of Greensboro, N. C., as business administrator of the Homes has proven to be one of the greatest blessings of the past year. One of the most wonderful gifts ever made to the Homes is now coming to fruition. It is the handsome duplex apartment, made possible thro the generosity of Miss Roxie Sides of Winston-Salem. This new facility, now under construction on the Reynolds Park Road site in Winston-Salem, will be occupied in the fall, we hope, and will open an avenue for four additional residents.

The happiest time in the Homes ever are when friends and members of our North Carolina Baptist churches visit our homes. A cordial welcome is extended at all times by the members and staff.

Let us pray for our Homes for the Aging, and provide the same splendid support in the future that we have in the past.

Respectfully submitted,

G. E. Scruggs

THE AMERICAN BIBLE SOCIETY REPORT

The report of the American Bible Society should serve as a reminder of the joy that has come to us in having met the Master because the Word was imparted to us, otherwise time and space to present it is wasted.

As a denomination, Southern Baptists stood first in gifts in 1958 giving a total of $162,199.00, but have fallen below the Methodists for the past two years with gifts totaling $151,626.41 in 1960. Knowing that each person must have the Bible in his own language, if they are to know Jesus Christ as their Savior, think how easily Baptists could stand first in this magnificent task if all churches would pursue the following plan:

Country and village churches giving	$ 10 to $ 25
Churches in small cities	25 to 100
Larger churches	100 to 200
Great city churches	200 to 300 plus

Send the gifts to Baptist State Office, 301 Hillsboro Street, Raleigh, N. C., marked "for the American Baptist Bible Society".

To review the history of this great organization is a most timely challenge. The American Bible Society began in 1816. It is almost 505 years since the printing of the Gutenburg Bible on August 24, 1456. Our printed Bible today, in any language, still stands as a monument to the man Johann Gutenburg, the inventor of printing. William Tyndale arranged with Peter Quentel, in Colone, Germany, for the printing of the first New Testament in English, in the year 1525. In the past year a total of 23,210,485 pieces of literature were published including 1,253,626 Bibles, 1,925,007 Testaments and 20,031,-352 portions. The total of 88 different publications being printed. The work of the Society was carried out in 75 countries and territories on five continents and the islands of the sea. This masterful job was done because of the boldness and vision of the Executive Officers who changed the organizational pattern that had been in effect for 50 years. Three Regional Offices were set up and the responsibilities of the National Distribution Secretaries were redefined along functional lines of service to the churches and communities.

Fields of endeavor included the armed forces, work among special populations including migrants, institutions — hospitals, homes for the aged, rescue missions, correctional centers, etc.; Young Men's and Women's Christian Associations, Mr. Average Citizen, served by effort of local church campaigns, and Seamen's Church Institute which ministers to men aboard the many foreign ships visitings ports of the United States. In Philadelphia alone 11,647 Scriptures in 37 languages were distributed and it is not unusual to distribute Scriptures in more than 120 languages within the nation in a year. The Society also provided 1,000 Bibles for the Pony Express Centennial celebration. Last April completed 126 years of service to the sightless. Beginning in 1835 a grand total of 849,385 embossed volumes and Talking Book records in 42 languages and systems have been distributed. The Good News to preliterates in more than thirty languages was distributed on 77,430 records together with 10,105 Finger-Fonos in 1960.

Finally, we reach a conclusion that should awaken each of us. The total issue of whole Bibles and Testaments across the world by the 23 members of the United Bible Societies, of which the American Bible Society is one, is barely one fifth of the total annual increase in population — 47,000,000. This need is not included in the Cooperative Program and for the sake of the other 4/5 of the 47,000,000 we leave the question, "How Long Must They Wait?"

Respectfully submitted,

Mrs. Wesley B. Sprinkle, Chmn.

ANNUITY BOARD REPORT

In cooperation with the Annuity Board of the Southern Baptist Convention, the Baptist State Convention of North Carolina offers the Southern Baptist Protection Plan to all pastors, full-time male church employees and denominational workers. This plan is operative and available in all states of the Southern Baptist Convention. For all female employees of churches and denomination, the Age Security Plan is available in North Carolina and all other states.

The plans provide for an annuity at age 65, a disability benefit at any time and death benefit in the form of an annuity for the widow or a lump sum settlement payable to a deceased member's estate if he leaves no widow. There is also a provision for retirement after age 60 on a reduced annuity basis.

In order for one in the old plan, "Minister's Retirement Plan", to have the widow coverage at all times he must be a member of the "Widow's Supplemental Annuity Plan". We urge all those under the old plan to check into this matter if widow coverage is desired.

Benefits for either of the plans are proportionate to participation. Therefore, we further urge that every church participate fully for the pastor and each worker. If at all possible, we recommend that all churches put an amount in their budgets equal to 10% of the salaries of the pastor and other church employees to pay into this denominational program for the retirement of church employed personnel. This is a **denominational program** and thus merits the full support of each church.

At present, thirty-three churches in our Association contribute to this phase of our work. In our state approximately 76% of our churches participate in one or the other of the plans. Let us try to increase the percentage of participation in our association in the coming year. All deacons and Brotherhood members can help in this endeavor by presenting this program to their churches as soon as possible.

Churches desiring further information should contact members of the Annuity Committee, the Associational Missionary or Rev. Tom Greene, Baptist Building, 301 Hillsboro Street, Raleigh, North Carolina. Mr. Greene will be happy to present this matter to any local church desiring his help.

Respectfully submitted,

W. A. Wallace, Chairman

HISTORIAN'S REPORT

Several events of historical interest have transpired in our Buncombe Baptist Association during the past associational year. At this writing, (one week before our annual meeting), several of the church letters to the Association have not been received in the office. Therefore, this report will not be as complete as we would hav desired it to be.

Pastoral changes have taken place as follows: John H. Knight has been called to Calvary; B. D. Graham, Long Shoals; Joseph C. Sanders, Oteen; George L. Hocutt, Ridgecrest; Ernest Craig, Wilkey. Luther Osment has been called to West Asheville as assistant pastor.

David H. Huff is the new Minister of Music at Hominy and Edgar Lineberger has accepted the position of Minister of Music and Education at Reed Memorial.

Calvary bought a new pastorium in March. West Asheville celebrated the twenty-fifth anniversary of Pastor Nane Starnes in March with special services and reception. Westwood erected a new building that will take care of 600 in Sunday School; total cost: $260,000. Chapel Hill now has water in the church building and has bought a new organ. Emma has modified its new building. Enka bought one and one-half acres of property adjoining the present property for future expansion. Fairview entered its new educational building in October. Flat Creek observed the 150th anniversary of the church and helped build the pastor's retirement home. Hominy has carpeted its sanctuary. Long Shoals has completed a bond issue of $50,000 to build an educational building and has landscaped the church grounds. New Bridge dedicated their new church building on Easter Sunday. Oak Grove has paid off the indebtedness on the pastorium and started a church building fund. Oteen dedicated its new pastorium in May. Pole Creek has completed plans for a new church building. The educational building being built by Starnes Cove is nearing completion. Work is continuing on Trinity's new building. Wilkey began building new Sunday school rooms in July. Buena Vista moved into their new building and had the dedication service in November.

THE COOPERATIVE PROGRAM OF N. C. BAPTISTS and SOUTHERN BAPTISTS

Less than thirty years ago, our Southern Baptist people were struggling to find a channel for their desire to promote the Kingdom of God in all of the earth. Of course, we already had a good beginning. We had missionaries in several foreign countries and through our Foreign Mission Board often made a direct appeal to our churches for the support of this work. We had a State Mission Program that sought help from our churches. The Home Mission Board was expanding its work and was seeking increased support. We had a home for children and we were proud of it. We had several colleges that needed the constant help of our churches. We had three seminaries and it was very evident that we would soon need more because our Baptist people in the South were growing in numbers and in their desire to promote the work of our Lord.

But a problem was developing very rapidly. How could all of the causes and institutions present their needs to the local church. Very often the amount the churches gave was based on the ability of the speaker to present his story. There would not be enough speakers to reach every church. Some way was needed to relate the various needs to the local church and to channel the offerings from the local churches to the many causes and institutions that needed them. Thus the Cooperative Program was adopted. Through this method, the local church could have a part in every cause Baptists are supporting around the world.

Thus the Cooperative Program represents every Southern Baptist who gives through his local church. But it is more than money. It represents over 1,500 foreign missionaries in many countries of the earth. It keeps over 1,500 state missionaries who are working to build new churches and help strengthen all of them. It represents over 1,500 home Missionaries working among the underprivileged, the foreign speaking people, other races, the people of crowded city areas, and the many extra missionary opportunities and responsibilities of Southern Baptists. In addition, it provides vital support for the thousands of teachers in our colleges and seminaries. Truly, the Cooperative Program is the life line of our baptist work around the world.

In North Carolina, we are now using 66% of our Cooperative Program money for our baptist work in North Carolina and 34% goes for Southern Baptist work. Through this plan, we can follow the Lord's command to go to Jerusalem, Judea, Samaria and the uttermost parts of the earth.

But we have a new and pressing need to enlarge our Cooperative Program immediately. Our population explosion is beginning to reach college level and the colleges are facing great needs. Last May 3, the Baptist State Convention of North Carolina voted to ask our people to increase their Cooperative Program by 35% immediately, with the increase to go to our colleges. This is a very important request and we earnestly petition every church, as you prepare your budget for next year, to consider this increase this year. During the first six months of this calendar year, our churches gave $73,797.15 as undesignated Cooperative Program receipts. If we continue for the next six months with the same amount we would give $147,594 undesignated for Cooperative item. If we would increase 35%, this would amount to $199,252 for the year. We are well able to do that much during 1962. In this year of world crisis, let us be on the job.

REPORTS

REPORT ON CHRISTIAN EDUCATION

Since Baptist colleges can take only one in five of Baptist students who attend college, it is increasingly urgent that we recruit for our colleges the best possible potential Christian leadership. Our seven North Carolina Baptist colleges had their largest enrolment last year: Campbell—1,429; Chowan—752; Gardner-Webb—641; Mars Hill—1,099; Meredith—778; Wake Forest—2,866; Wingate—912; totaling 8,447. Approximately two-thirds of this number were members of a Baptist Church. Approximately one out of eight was a ministerial or church-related vocation student.

Our State Convention is in its first year of the Christian Education Advance Program. Nearly 500 churches have made the 35% increase through the Co-operative Program. In order to meet our goals for the next two years many more churches will need to make this 35% increase. The total operating budget of our colleges last year was $12,000,000. Of this amount the Co-operative Program paid about 5%.

There are several ways we can support our colleges:

1. Visit the colleges and take interest in campus activities. Invite students and faculty into our churches to conduct services.
2. Encourage our most deserving students to attend.
3. Pray for the colleges, presidents, administration, faculties, students, trustees. Pray that they and we may be faithful to the trust imposed in us to operate these colleges as agencies of our North Carolina Baptist State Convention.
4. Be sure to increase our Co-operative Program 35% this year.

Our colleges were outstanding in achievements this year: **Campbell** — completed an administration building, girls' dormitory and new science building; **Chowan** — launched a drive to build a library and class-room administration building; **Gardner-Webb** — completed a new science building; **Mars Hill** — dedicated the Robert Lee Moore Auditorium and Fine Arts Building and launched the enlargement program towards a four year college; **Meredith** — completed a new dormitory and infirmary; **Wake Forest** — moved into its new science building and girls' dormitory another class-room building is under construction; **Wingate** — completed a new science building and boys' dormitory; is completing the business administration building.

We are grateful to our Lord for blessings to our colleges, and to the Baptists of North Carolina for continued loyalty and support.

Mrs. George Pennell, Chairman

BAPTIST HOSPITAL REPORT

The services of our Baptist Hospital are subject to heavy demands which grow heavier year by year. Last year the already overcrowded clinics of the Out-Patient Department received a new high of 83,000 visits from 96 counties of the state, sixteen other states, and two foreign countries. Two-thirds of these were by our Baptist people.

One of the most pressing needs is the enlargement of the facilities of the Out-Patient Department. Along with this is the urgent need for a building to provide adequate and unified facilities for the Hospital's eight schools for the training of skilled nurses, technicians, and other medical personnel, all of whom are in short supply and are essential to good medical care in our local hospitals and communities.

The new Progressive Care Center is attracting the attention of hospital authorities over the country. Patients have been most pleased with it. The trustees and administration greatly regret that the Hospital does not have sufficient funds to permit the admission of Service Patients to this fine facility.

The Pastors Library now contains well over 100 volumes among the best books in various fields of Christian thought and pastoral work. It can be of great value and all pastors are invited to use it. It is located in the Medical School Library.

The care of Service Patients remains at the heart of the work of the Baptist Hospital. In cases where help will be needed on the hospital bill, it is extremely important that this be made known in advance and the arrangements be made when the patient is admitted to the Hospital. When appointments are requested for examinations it is necessary to let the Hospital know if the person needs to come through the Clinic, or if he will come as a private or full-pay patient. If a doctor is making the arrangements for a patient he should be told to make clear when he calls or writes if it is a Service or Clinic Patient. Mother's Day money cannot be used for Private Patients.

The Mother's Day Fund is the foundation of the financial aid given Service Patients. The Hospital tries to help the most needy cases as much as possible, but the funds have not been sufficient to give as much as is needed in many cases. In other cases of real need it has not been able to give any help, except the free services of the doctors and reduced rates on other items, such as X-rays, which consideration is given all Service Patients. **We must remember that the help given is limited by the Mothers' Day gifts of our churches.**

It is with deep regret that we must report that the Mother's Day Offering in our Association was lower this year than in either of the two preceding years. In 1960 our Association gave $5,869.76 and in 1961 we gave $6,250.70. However, in 1962 we gave only $5,790.64. Twenty-one of our churches gave nothing to this great ministry on Mother's Day, 1962. This figure ($5,790.64) does not comprise all of our giving however. Some of our churches make more than one offering each year. Yet our goal for the Mother's Day Offering for the year was $8,000.00. It takes but a simple matter of arithmetic to conclude that we fell $2,209.36 short of our goal. We cannot be very proud of this with the knowledge that Service Patient needs mount higher each year. This is God's work — a Christian Ministry — let us support it with our prayers and our gifts.

Respectfully submitted,
W. A. Wallace
Hospital Representative

HOSPITAL CHAPLAIN WORK

Buncombe County Baptist Association

Asheville, North Carolina

Gentlemen:

I would like to take this opportunity to report to you on the services of Rev. J. C. Pipes, who is your representative here at the hospital.

Rev. Pipes has been a real asset to the hospital and the patients here. He visits patients who are from out of town and do not have a local minister, and local patients who do not have a Church affiliation. Also he supplements the visits of the patients' own ministers. He is available to visit any patient on request of the patient, patient's family hospital personnel or the patient's minister.

On occasions Rev. Pipes is requested by hospital personnel to assist in special problems with patients. While he is at the hospital he is always available when some special need arises.

Rev. Pipes works well with the Ministerial Secretary and helps to maintain Liason between the hospital and the Baptist ministers. We have asked for his advice and thoughts on our public relations with the churches in the area and he has been most helpful. He has also assisted and advised us in the control of visitors.

On behalf of the hospital we would like to express our deep appreciation to the Buncombe County Baptist Association for providing the services of Mr. Pipes.

Sincerely yours,

W. W. Lowrance, Administrator

BAPTIST CHILDREN'S HOMES

Building a better tomorrow has always been the dedicated concern of the Baptist Children's Homes of North Carolina. Today's children will become the adults who shape tomorrow's world. **NO** task is more important than helping a child, hurt by life, to grow into healthy, well-adjusted, responsible citizenship.

Each child who comes to the Children's Homes is different, with a different need to be met and a different problem to be solved. It is the responsibility of the Homes to find the best solution possible. For many years that meant providing food, clothing and shelter for orphans. Today the need has changed. Today our work is with children who for various reasons have lost the security of home and parents.

During the past year, 848 boys and girls were served by the Baptist Children's Homes. In addition to those already in care, applications were received for the admission of 646 other children. We had space and money sufficient to admit 170 of these — leaving 476 for whom no room was available. Provision should be made immediately to expand greatly our foster home program to meet the needs of these children. This can be done through an increased Thanksgiving Offering.

Increasingly, your Homes are being called upon to serve children who are disturbed and emotionally ill. In addition to traditional types of child care, there is a growing need for specialized supervision and services. It is hoped that a step can be taken, within the year, to begin to provide, on a small scale, such services at the North Carolina Medical Center at Chapel Hill.

Financial support this year has come from the following sources:

Cooperative Program	33 Per Cent
Thanksgiving Offering	30 Per Cent
Once-a-Month Offering	16 Per Cent
All Other	21 Per Cent

For the first time, income to the Children's Homes through the Cooperative Program exceeds that of the Thanksgiving Offering. This source of income meets one third of our operating budget and is greatly appreciated. At the same time, the Thanksgiving Offering continues to be vital to our existence, providing 30 per cent of income. We sorely need an increase of one hundred thousand dollars through the Thanksgiving Offering this year. This would enable us to provide a Christian home and care for an additional 125 children.

We owe a debt of deep gratitude to our friends whose genuine concern for the welfare of our children makes this help possible — especially our Baptist people. You have afforded hundreds of boys and girls opportunities and privileges which they otherwise could not have had.

Charity and **Children,** our official publication, which this year celebrated its 75th anniversary of service to North Carolina Baptists, continues to grow in popularity and circulation. Each week 55,000 copies are sent to churches and individual subscribers throughout the state and beyond. You are invited to be among these readers and thus stay informed of our child care ministry and other denominational endeavors throughout the year.

Rev. Ralph Nix,

Orphanage Representative

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

The past year in our N. C. Baptist Homes for the Aging has been one of great blessing. Of unusual significance has been the opening of our fourth home, the Hamilton Home, located in Eastern North Carolina, and enabling us to minister to 30 additional people. The residents there are supremely happy and are enjoying the abundant life in this beautiful new facility.

Over the past eleven years we have increased by eight times our ability to minister to the aging in our midst. In the beginning, there were 20 residents, and now we are able to give loving care to 160 persons in our four homes: Resthaven, Hayes Home, in Winston-Salem, the Albemarle Home at Albemarle, the Hamilton Home at Hamilton.

The need for more space is most urgent and pressing. Today there are 138 applicants on the waiting list. We will want to move forward, therefore, as rapidly as funds will permit in meeting the crying demands of our ever-growing population of aging people who need our care.

The special day offerings from our churches are at an all time high and are likely to go beyond all previous offerings by the end of the fiscal year. We want to thank all who have had a part in these vital offerings and we would urgently appeal to each church to continue giving as liberally as possible through this vital medium. Ninety percent of the residents who live in our four Homes are financially needy people and are sustained by the special day offerings from our churches each year.

The plea of the elderly person in our midst, "Cast me not off in the time of old age!", is one that cannot be lightly brushed aside, but one that must continue to challenge the highest and holiest in every North Carolina Baptist as we move forward in this great ministry which God has committed to us.

Respectfully submitted,

G. W. Jameson

REPORT ON ORDINATION

The Associational Committee on Ordinations met three times during the year. At the first meeting Brother Gordon Hux from Grace Baptist Church, Brother Luther Osment from West Asheville Church, and Brother Ted Purcell of the Macedonia Church were examined as to their qualifications to the gospel ministry. Their examination had been requested by their respective churches. Each gave satisfactory answers to all questions by the committee, and a recommendation was forwarded to each church that they proceed with their ordination.

The Committee met with the State Street Baptist Church at their request to examine Brother James Shields for the gospel ministry. Brother Shields gave satisfactory answers to all questions and was recommended for ordination.

The Committee was requested to go to the New Liberty Baptist Church to question Brother Howard Rogers in view of ordination to the gospel ministry. Since the committee was acting in an advisory capacity only, and due to some considerations not quite clear in the minds of the committee members, the committee decided not to make any recommendation either pro or con.

The committee has responded to each request it has received and has tried to conscienciously do what it considered the right thing under all circumstances.

Respectfully submitted,
A. T. Usher, Chairman
Cecil Perry
J. H. Black
Woodrow Flynn, Secty.

MINISTERS' PROTECTION PLAN

If your church is not in the Retirement or Protection Plan of the Southern Baptist Convention, then there are some good reasons why every church in the Buncombe Association should be in. The deacons who are the key leaders in their churches should lead them to adopt one or both of these plans to safeguard their pastors as well as the church.

Sixty percent of our pastors are not in any plan. Look over carefully these ten reasons why your church should participate:

1. It is the sure way to see that your pastor has this vital protection which covers disability, death and retirement.
2. It protects your church as well as your pastor, as the church provides financial help for him and his family before the need arises.
3. It relieves your pastor's anxieties and fears about the future welfare of his family, enabling him to devote all his energies to his church work.
4. Most employers in business and industry provide a similar program for their employees. The church should certainly do as much for its pastor.
5. The retired or disabled minister and the minister's widow who are financially secure can continue to give valuable service to the denomination.
6. It will enable Southern Baptists to do as much for their pastors as other evangelical denominations are doing. For example: Membership of the Protestant Episcopal Ministers Retirement Program is 100%. These churches pay the total cost for their ministers.
7. If your church provides this program for its pastor by assuming the total cost. He will be in a position to join Social Security if he is eligible, in which he must pay the entire cost as a self-employed person.
8. It will protect the denomination from an ever increasing relief load and eventually will greatly reduce or eliminate it.
9. When your church participates in this program, it is making possible a protection program for the entire ministry rather than for a minister.
10. It will strengthen the retirement and protection program in your state.

AMERICAN BIBLE SOCIETY

"Sharing Christ with the Whole World" is the aim and theme of the Baptist Jubilee Advance. Sharing the Bible with the whole world is an essential part of this program of advance.

> If the **people of the world** are to know Jesus Christ the one hope of men and nations, they **must have the Bible.**
>
> **Each person must have the Bible in his own language** because it speaks to his heart as no other language can speak.

But, in most countries, people cannot afford even the cost of printing the Scriptures.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave — and keep on speaking to a person's heart.

The American Bible Society is an active partner of Southern Baptists. It serves mission work at home and abroad. It helps missionaries to translate the Bible, publishes without note or comment and distributes without profit, usually below cost. For the Blind, it supplies Scriptures in Braille and other raised-letter systems and on Talking Book records.

During 1961 the American Bible Society —

—rejoiced that some part of the Bible has been published in 1181 languages; the full Bible in 226, a Testament in 281 more and a Gospel or other complete book in 674 more.

—Distributed a record total of over 24 million Scripture volumes in over 100 countries on 6 continents. Of these, more than 11 million volumes went overseas. Distribution abroad showed, for the second consecutive year, an increase of 20 per cent over the year before.

—realized anew, from sharp increases in Scripture distribution in Cuba and Congo, that the demand for the Bible often rises dramatically in areas of political tension and revolution.

—continued to enlarge the worldwide ministry of the Finger-Fono, a special phonograph for Bible records, operated by one finger, for use in areas where many people can not read. Records are now available in 40 languages and others are being prepared.

—gave almost a million Scripture volumes for distribution by Chaplains to our Armed Forces and Veterans' Hospitals, as a vital link between the home churches and men in service.

—expanded its distribution of Scriptures to persons of special needs; Cuban refugees and others from overseas; hurricane and flood victims; patients in hospitals and nursing homes; inmates of jails, reformatories and prisons; migrant farm workers — and many others.

SOUTHERN BAPTISTS SUPPORT THE WORK: Because the Bible Society serves mission work — and Southern Baptist missionaries depend on the Society for Scriptures they need for their people— Southern Baptist churches believe in the missionary importance of giving to the American Bible Society. In 1961 Southern Baptist churches gave $164,342 to the American Bible Society, Methodist gifts were $163,593. Gifts from all churches in the U.S.A. totaled $1,065,649. Southern Baptists can continue to lead — if every church will give. Has your church given this year? Please send gifts to your Baptist state office marked "for the American Bible Society."

BIBLICAL RECORDER AND OTHER BAPTIST LITERATURE

The BIBLICAL RECORDER is deeply indebted to North Carolina Baptists for the manner in which the rate increase of July 1, 1961, was accepted. This was the first such increase in many years and frankly, there was some concern about how it would affect circulation. You will be pleased to learn that the increase has had little if any effect on the circulation of the RECORDER. Such acceptance on the part of our Baptist people provides great encouragement to the RECORDER staff and directors.

Even though the BIBLICAL RECORDER will be 130 years old next year, it continues to be as fresh and up-to-date as the morning headlines. Our state paper is solid and dependable yet keeps an open mind to that which is progressive and that which will help Baptists to do a better job.

As all of us know in our local churches, an accurate channel of information is necessary. This is as true in our denomination as it is in our churches. The RECORDER is that channel to keep you in touch each week with all that Baptists are doing around the world.

In addition to keeping you informed, the RECORDER also is an open forum for discussion of issues in which all of us are interested. Being a free people, Baptists are never afraid to discuss their problems in a Christian spirit. This has been evidenced in the RECORDER during the past year.

More than 1,700 churches now have RECORDER clubs but that number should be at least 2,000. This goal can be attained if pastors and church leaders will put forth a little special effort. The Every Family Plan, costing only 4c a week per family, is the best way as more than 500 churches can testify. Even the Club Plan is only a nickel a week or $2.50 a year.

Those connected with the BIBLICAL RECORDER consider it an honor as well as a responsibility to serve North Carolina Baptists. Keep them in your prayers during the coming year.

Sincerely,

J. Marse Grant, Editor

C. W. Bazemore, Associate Editor

ASSOCIATIONAL MISSIONARY'S REPORT

At the close of the first year we come to render an account of our stewardship. We come with sincere gratitude for the leading of the Holy Spirit and for the beautiful spirit of cooperation we have had from you. In our visits to the churches we have found in general a fine spirit of Christian fellowship. Some of the outstanding projects this year have been; a School of Missions with 40 churches participating, a Central Training School, Vacation Bible School work among the colored churches with over 1000 children enrolled and a united effort to train the leaders in our churches with over 6000 receiving an award for some book.

Below is a brief summary of your Missionary's activities for the year:

Sermons preached	99
Churches visited	85
Committee meetings	57
Study Courses taught	9
Vacation Bible School Clinics	4
Directed Schools of Missions	
State and Southwide meetings	12
Held two Vacation Bible Schools	
Miles travelled	27,000
Articles of mail (approximate)	35,000
Revival meetings held	2

Hitherto, hath the Lord helped us. As we count the achievements of the past and give Him the Glory, we turn our faces to future and ask His guidance and wisdom for the task that lies ahead.

WOMAN'S MISSIONARY UNION REPORT

We are living in a world of constant change and this is evident in the plans of Woman's Missionary Union. There have been changes in the plan of reporting, changes in the official family and changes in the work generally. We hope it has counted for progress.

The By-Laws adopted five years ago limited the term of service of officers to five years, so there has been some shuffling of officers, though not so many new faces. No one was found to assume the role of president, so the former incumbent is acting in that capacity. Mrs. I. V. Couch of the Beaverdam church was elected YWA Director in the place of Mrs. Lynn Buckner, who has served so acceptably through the years. Mrs. Norman Ferrell is Mrs. Couch's assistant. Mrs. Billy Burleson and Mrs. L. M. Becton have traded places with Mrs. Burle-

son acting as Sunbeam Director and Mrs. Becton as her assistant. Miss Pauline Snelson is our new recording secretary and Mrs. Bill Bumgarner is our new prayer chairman. Mrs. Lynn Buckner, Mrs. Carey Green and Miss Maye Kennedy are new district leaders. It is with sorrow that we record the passing of Mrs. Frank Hopkins who had for a number of years been a devoted co-worker in various capacities in the associational work.

As our pattern of work we have the following chief aims: World Awareness, Spiritual Life Development, Christian Witnessing, Sharing Possessions, Educating Youth in Missions, Enlistment for Missions and Leadership Training. To carry out these aims meetings have been held both local and association-wide. Mrs. Perry has supervised the holding of mission study institutes. There have been leadership courses and the WMU has participated in Association Night each quarter at West Asheville Church.

Our annual meeting was held at First Baptist Church Swannanoa. There were 180 registered. Dr. John Poe, Mrs. E. G. Altland and the Rev. E. V. Plemmons were the speakers.

Under the head of World Awareness it might be said that the Buncombe WMU helped with part of a scholarship to Fruitland Bible Institute for one of our worthy pastors. Money was contributed toward the salary of a colored girl, who taught in Vacation Bible Schools in some of the colored churches and this year we are doing the same.

The WMU participated in the Central Training School in February when we were fortunate in having Miss Kathryn Bryan of the Birmingham Office teach "Educating Youth in Missions". The class was well attended.

We anticipate further changes in the work the women fear, when we shall be celebrating the 75th ANNIVERSARY of the organization of the convention-wide WMU and make an effort to reach certain goals which have been set for us. As we are now in the beginning of 75 days of prayer in preparation for this celebration, may we pray that the blessings of the Heavenly Father may be upon our entire Association.

Respectfully submitted,
Vonnie E. Lance,
Acting President

REPORT ON THE RECEPTION OF NEW CHURCHES

In response to a request by the pastor of the Christian Creek Baptist Church, Asheville, N. C., the committee met with a representative group from this church along with the Associational Missionary and considered its request for admission into the Buncombe Association. After much discussion and questioning the committee felt that this church should be brought under the watchcare of the Association for one year, and then into full fellowship of the Association. There was a fine spirit of cooperation on the part of the group that met with the committee and we believe that this church will add greatly to the progress of the Buncombe Baptist Association in the advancement of the Kingdom of God in the State of North Carolina; therefore, we the Committee recommend that the Christian Creek Baptist Church be received into the Buncombe Baptist Association, according to the Constitution and By-Laws of the Association.

The Christian Creek Baptist Church has been under the Watchcare of the Association for the past nine months.

Respectfully submitted,

Harold L. Sprinkle, Chairman

SUNDAY SCHOOL REPORT

"Outreach for the Unreached—Spearhead for Advance" has been our Sunday school theme for 1961-62. We hope that to "Reach the Unreached" has been and will continue to be the basic object of every church.

Sunday school meetings were held quarterly at Calvary Baptist Church. We did not have the attendance that we should have had but much was gained from these meetings. One more church earned a pennant for being a Standard Sunday school. At least eighty of our churches held a Vacation Bible School this summer. Some are having a school now and others will have one before the summer is over. Our Bible school work this year has been under the leadership of Miss Pauline Snelson and Rev. James Jetton, our Associational Bible School leader. Two Vacation Bible School Clinics were held this year. One at Calvary and one at Grace. Our Associational Workers also worked in a Bible School Clinic for the colored people. This clinic was held at Rock Hill Baptist Church. Many boys and girls were won to Christ through our Bible Schools this year.

The theme for our Sunday school for 1962-63 will be "Outreach for the Unreached—Spearhead for Missions". Lets all work together to make next year the best year we have had in reaching people for Christ and in educating them in the Mission plan Christ gave us.

TRAINING UNION

We have ninety churches and two missions in the Buncombe Association. We have 71 Training Unions and 21 churches that do not have Training Union.

The goal for awards for 1962 for our Association was 5500. Of this number 1000 were to be Training Union principles and methods. 570 are reported for the first nine months.

"M" night was held at Asheville, First on December 4. Fifty-five churches were represented with 1156 present including forty-six pastors.

Our Youth Night meeting was held at Westwood church. There were 286 present with twenty-nine churches represented and ten pastors. Young people from seven churches participated in the Speakers' Tournament.

One Intermediate from our Association entered the Sword Drill and represented us at the Regional Convention. This was Daris Hall from Asheville First.

Forty-two Juniors participated in the Junior Memory Work. Forty of these advanced to the State Tournament.

Adults from eleven churches participated in the Scripture Reading. Mrs. Jack Porter from Reed Memorial represented our region in the State Tournament.

We have had district training schools in the Hominy, Fairview, and Mount Carmel districts. One of our goals is to reach each district with a training school. The districts that have had training schools report wonderful fellowship as well as training.

Baptist churches are no stronger than their trained members. For this reason every church member should take advantage of Training Union. Christian training is a vital part of our Southern Baptist program.

Mrs. Orville Myers
Training Union Director

BROTHERHOOD REPORT

This has been a year of good growth in brotherhood work in our Association. The newly organized brotherhoods of Edgewood, Emma and Oteen churches are well under way and Sand Hill is presently in the process of organizing.

We rejoice in the increased attendance at Brotherhood Associational meetings. The high point came in January when 125 were present representing 33 churches. Speakers highlighting these programs were the Rev. J. G. Goodwin, Missionary to Korea, Mr. Ernest Klutz and Mr. Donald Greene, outstanding Christian laymen from Gastonia and Hickory respectively. We feel sure that all who heard these messages were greatly blessed. The musical portion of these programs has been of equally high quality. We are indebted to our Christian Witness Leader, Mr. Bert Starnes, our World Missions Leader, Mr. Ralph Fore, and Associational Missionary, Rev. E. V. Plemmons for their efforts in securing the services of these outstanding speakers and musicians.

The Central Training School held at First Church, February 5-9 included two courses essential to effective brotherhood work. The Church Brotherhood Guidebook taught by our Regional Advisor, Mr. Bertis Sellers had 30 in attendance, while 70 came to study the new RA Counselor's Guide taught by Mr. Norman Godfrey, Ass't Secretary for Royal Ambassadors of Southern Baptist Convention, and assisted by the Rev. James Parham, Associate Pastor of First Church.

We would urge each of our pastors, even if your church does not have a Brotherhood organization, to bring the associational opportunities to the attention of your men. Of course, this is also the duty and privilege of all brotherhood presidents.

We are confidently expecting an increase in the effectiveness and outreach of Royal Ambassador work, with our new leaders the Rev. Luther Osment and the Rev. Joe Sanders.

Ernest L. Mandeville,
Associational Brotherhood
President

MUSIC REPORT

With the Associational Music Director serving as Chairman, the Associational Music Committee attempts to develop an associational music education program that can benefit every church, encourages the development of a music ministry in each church, sets the dates for, and promotes festivals, hymn sings, schools of music, and other activities and works closely with the State and Convention-wide Music Departments, coordinating their activities with Association plans.

During the past year the following activities were sponsored by the Music Committee:

In August the Associational Church Music School was held at the Asheville First Baptist Church, with 25 churches participating and an enrolment of 186. Concurrent with the school was a morning junior school with 79 juniors from 13 churches. There were 12 on the faculty, including Miss Mildred Thomas from Louisville, and Mr. Harvey Woodruff from Charlotte. Also in August, a massed choir and other special music was furnished for the Annual Associational Meeting.

The Associational Music Director attended a state planning meeting at Fruitland August 25-26, and helped conduct Associational music planning meetings the week of September 4. Our planning meeting was held at Calvary on September 5.

On November 13 members of the Music Committee attended the music meeting which preceded the State Convention.

Handel's oratorio, "The Messiah" was presented by members of choirs from churches in the Association on December 3 at the Asheville First Baptist Church with 110 in the chorus, and more than 1500 in attendance. This was the second year that our Association has presented "The Messiah", and we hope to make it an annual presentation.

Two music study books were taught during the Central Training School in February.

The Regional Choir Festival was held at West Asheville on February 22, with the largest participation from churches of the Association. Many of these went on to the State festivals at Wake Forest and Mars Hill.

In addition to these general meetings the Music Committee met on the 2nd Tuesday of each month for a luncheon planning meeting, and many of our Associational musicians attended the music leadership weeks at Ridgecrest or Caswell.

We urge that each church initiate a local training program during the coming year, either with music classes or a local school of music. We hope, too, that even more of our churches will participate in the Regional and State Festivals, and will sponsor attendance at the Music Leadership weeks at our State and Southwide assemblies.

Respectfully submitted,

Carl Perry

Associational Music Director

COUNCIL LIBRARIAN'S REPORT

For several years the Sunday School Board at Nashville, Tennessee, has been waging a campaign to establish libraries in as many of the convention churches as possible.

In the Buncombe Association we have been active in the work, beginning with the First Baptist Church, we have helped to set up thirty-five libraries in active churches.

In April of 1956 the North Carolina Baptist Library Convention was organized. Rev. Ronald L. Puritt of Murfreesboro, N. C. was the First President and M. H. Cox of Asheville the Vice-President. The first meeting was at Sanford and each year has met, in Greensboro, Charlotte, Winston-Salem, Raleigh and will meet again in 1963 in the First Baptist Church of Asheville. Rev. Glenn T. Hill of Wilson is the new President. Mrs. Wayne Gosnell of the Buncombe Association is Promotional Secretary.

We have had a small folding book cabinet built, being in two sections, 20x22, hinged and on casters, with 80 book capacity yet small enough to carry in the trunk of a car. We have catalogued these 80 books and loaned them to churches, which have no libraries, in order to stimulate and create a desire for their own library. The books are ready to be checked out and are kept for 2 months, then passed on to another church. So far three churches have used this small library and it has been well received.

Our library conference at Ridgecrest will be held this year from Aug. 23 to 29 and we have been asked to have at least 25 attend from this Association. We are offering to pay $10 on the expenses of any Librarian or Assistant Librarian (or a designated staff worker), who will register and spend the entire week at the conference, with sleeping accommodations at the First Baptist Cottage free. For more details consult your Council Librarian. The Library Council meets once a quarter and all libraries are expected to have representatives there, to give and get new ideas to carry on the book ministry in our churches.

M. H. Cox,
Council Librarian

REPORT ON TRAINING

The recognition that trained leadership is a requirement in the work of the local church and the Association is no where more in evidence than in our own Buncombe Association. Buncombe continues to be one of the leaders of the state in the number of training awards given each year.

We are happy to report that we exceeded our goal of 5500 training awards in the association this year. There were approximately 6057 awards distributed among two-thirds of our 90 churches as follows:

Categories 1 - 15	3706
Category 16	1
Category 17	605
Category 18	570
Category 19	134
Category 20	41
TOTAL	6057

The fact that we are training-minded is reflected in the increased enrolment and attendance in our Central Training School. This last year 33 courses of training were offered, and 740 enrolled for these

courses. From this school there were 424 Church Study Course awards plus an additional 58 Brotherhood awards, making a total of 482. The Central Training School, along with the Leadership Revival, was able to offer these valuable courses as well as outstanding speakers and remain within the budget of $500.00. Our continued thanks go to the members of the First Baptist Church who contribute the facilities for these meetings each year. The 1963 school will be February 4 - 8.

Each pastor and church leader is encouraged to increase this trend in training our people. District schools and church schools are necessary to achieve results. Individual study is always available to everyone. Your committee is thankful for the cooperation of everyone for making this a successful year of study in our Association.

HISTORICAL REPORT

The following report is being made from information contained in the associational letters and due to the fact that all the letters were not in, this report may not be complete. It is also possible that some of the churches failed to report some important facts which would have been of interest.

Arden Baptist Church reports that due to growth and prospect of future growth, a lot to relocate the church building was purchased on Highway 25-A next to Royal Pines at a cost of $24,500. Bonds have been sold and plans are being drawn by the architect.

Beaverdam Church called Rev. I. V. Couch as pastor, December 10, 1961.

Berea Church reported that their new sanctuary was dedicated June 10, 1962.

Calvary Church called Earl R. Rogers as first full-time Minister of Music, January 15, 1962.

Cumberland Avenue Church called a former pastor, Rev. Mack C. Burgin, March 20.

Deaverview Church dedicated their new "J. P. Walsh Educational Building" on March 4, 1962.

Flat Creek Church reported that one of their members, Mrs. Julia Spivey gave $5,595.11 to missions.

Grace Church reported that their new educational building which was started in March, 1962 was nearing completion. Rev. Gordon B. Hux was called as assistant pastor May 2, 1962.

Long Shoals Church held a dedication service June 10, 1962 for their remodeled auditorium and new educational building.

Patton Avenue Church called Rev. Hobart McFalls as pastor.

Pole Creek Church — January 7, 1962 was held as official opening date of the new church building.

Skyland Church reported that their new pews were paid for.

Spring Mountain Church reported that 2 foreign missionaries were helped and approximately $600.00 was donated to the sick in the community.

Sunrise Church called Rev. R. A. White as pastor and he began his work August 15, 1961. New pews and pulpit furniture has been purchased, new Sunday school rooms added, auditorium refinished, public address system installed, parking lot moved and improved, and sidewalks built.

Vance Avenue Church held a dedication service on the 4th Sunday in September, 1961 and Rev. Franklin Justice began his work as pastor the 1st Sunday in May, 1962.

EVANGELISM REPORT

The Holy purpose of Christ's atoning sacrifice is to draw men unto Him.

"God's Plan for Evangelism" was the theme of an associational clinic on evangelism which was held in November of 1961, for pastors and laymen. A similar clinic is scheduled for October 29, 1962, in our association.

A COUNTY-WIDE REVIVAL, TO INCLUDE EVERY ONE, IS BEING PLANNED FOR 1963. A recommendation has already been adopted by our Buncombe Baptist Pastors' Conference to have such a revival. This is not a simultaneous crusade!! Rather, it is our prayer that this revival will be one large concerted effort to find, to reach and to win the scores of thousands of lost people in our county. Begin now to pray that the Holy Spirit will give us, in this county, another "Pentecost" for His eternal glory and the salvation of the lost. This revival can only become reality through prayer.

An associational wide survey will be conducted December 7 through 12 of this year, which will greatly implement the planning for a revival in 1963.

Let us look briefly at the ten-year period of 1951 through 1961. The churches of our Association increased in membership by 6,082 persons, which is good. However, look at the tragedy!! In 1961, 271 fewer persons were baptized than in 1951. More people, less concern. Bigger churches, harder hearts. More members, fewer souls.

Billy Sunday said, "Let's quit 'fiddling' with religion and do something to bring the world to Christ. I am an old-fashioned preacher of the old-time religion, that has warmed this cold world's heart for two thousand years."

Lastly, make a covenant, with God on your knees, to witness regularly to lost men all around you. If you do not have enough religion to witness, you do not have enough "old-time religion" to get to Heaven.

"Each-one Win One" would be revival. This alone would mean twenty-two thousand more persons saved and baptized in 1963 than in 1961. It is late; it is urgent; but evangelism is the sole mission of the church.

"Is it nothing to you?" was the burden of Jeremiah. "Lord, in 1962 teach us what it is for lost men to go to Hell." That is our burden!

Respectfuly submitted,
Committee on Evangelism
Thomas J. Young, Chairman

RESOLUTIONS COMMITTEE REPORT

The Resolutions Committee offers the following resolutions:

Be it resolved that we express our appreciation to the Calvary Baptist Church and the First Baptist Church of Asheville for serving as host churches for this meeting. Also, we would express our gratitude to the pastors and staff members of these two churches for their fine spirit of hospitality.

We wish to thank members of the Calvary Baptist Church for preparing and serving the noon meal. We extend our heartfelt thanks to our Moderator for the splendid way he conducted our meeting and to Rev. B. D. Graham and his committee for a program that was both informative and inspiring.

We commend Mr. Carl Perry and those assisting him for the excellent music presented at each session.

Finally we acknowledge our debt of gratitude and express our thanks to our Missionary, Rev. E. V. Plemmons and to our Associational secretary, Mrs. J. C. Pipes for their effort and hours of labor spent in preparing for the meeting.

THE NORTH CAROLINA BAPTIST FOUNDATION

The North Carolina Baptist Foundation was authorized by the Baptist State Convention in 1919. The Board of Directors organized for business in 1920. From the period of organization until the present, the Baptist Foundation has had a rather irregular promotion.

The Committee of 25 recommended to the State Convention in 1959 that the Baptist Foundation be fully staffed and activated. It requested the Convention to adopt a budget providing for a full-time executive secretary, with the necessary travel, office expenses, etc. It was not until July 1 of this year that a full-time executive secretary was employed. For the past few months, Mr. Peyton J. Brown has served as Interim Director, without remuneration. The total assets of the Foundation as of June 30, 1959, were $245,131.32. The total assets as of June 30, 1962, were $303,186.66. In these past three years our total assets have gained $58,055.54. This gain has largely been due to the Interim Director and our present chairman of the Board of Trustees, Mr. Brown.

What is the Baptist Foundation? The North Carolina Baptist Foundation is an incorporated agency of the Baptist State Convention of North Carolina. It was created by the Convention for the purpose of procuring endowment funds and for administering said funds for all institutions and agencies owned and controlled by the Convention. It is independent of the cause it serves, but committed to its best interests. It is not a competitive agency, but a service agency dedicated to the task of undergirding all our Baptist work.

Funds usually come to the Foundation through one of five channels:

(a) Through a **CHRISTIAN WILL.** In his will a person leaves all or part of his estate with the Foundation for some Baptist cause. Of course, the Foundation then receives its share when the estate is settled.

(b) Through a **LIVING TRUST.** A person makes a donation to the Foundation while he is living. The Foundation then administers the fund and directs the income to the Baptist agency of his choice. This allows the donor to see his gift at work.

(c) Through a **MEMORIAL TRUST.** A person makes a gift to the Foundation in memory of a loved one and instructs the Foundation to place the income from it to one or more Baptist agencies.

(d) Through a **LIFE INCOME TRUST.** A person makes a gift to the Foundation and specifies a Baptist agency as beneficiary, but requests the income for himself as long as he lives. This permits him to receive the earnings to the end of his life and to know the beneficiary of his charity after his death.

(e) Through **LIFE INSURANCE.** A person takes out a policy in some amount in the name of the Foundation and designates the Baptist cause as irrevocable beneficiary. The premium he pays is then tax free as a charitable gift.

Respectfully submitted,

THE COOPERATIVE PROGRAM OF SOUTHERN BAPTIST

Many people have wondered how Southern Baptists could carry on a great evangelistic, publication, education and mission program in our own country and a great mission program in more than forty nations of the earth. They wonder at us, because we do not have an authorative government. Our association and convention have no control over the local churches. Our answer to these people is that Baptists believe in cooperating together voluntarily, to promote the work of the kingdom of God.

For many years, we depended upon special offerings to do our work. But as the number of our institutions increased, and the number of our mission causes increased, the special offering was no longer an answer. There were not enough Sundays in the year to meet our needs, if we had a special offering every Sunday.

Then some of our alert Baptist Fathers began the Cooperative Program. Year by year the needs of our various institutions and mission causes are presented to our General Board of the Baptist State Convention and the Executive Committee of the Southern Baptist Convention and a fair division is agree upon. Thus our Baptist people can have a part in all of our work, through the Cooperative Program. It is the greatest plan ever devised by Baptists, and should receive the full support of every Baptist church in the land.

During 1962 we are proving to ourselves that the Cooperative Program is flexible enough to meet all of our needs. Our colleges were in need of money for expansion and enlargement. We needed to challenge our people to meet this need. The challenge was issued, urging every Baptist church to increase their Cooperative Program gifts by at least 35%. Five percent would be allowed for the expansion of all of our work, but all above last year's budget, plus five percent, would go to our colleges in 1962. Over four hundred churches responded to this challenge, and our total receipts are now running more than 12% ahead of last year. If a majority of our 3200 churches had responded, we could have done much to relieve the pressure of our colleges.

We urge every church to seriously consider this 35% increase for next year. Certainly we hope every church in our Buncombe Association will have some part in the Cooperative Program of Southern Baptist. This is one way every Baptist can be a college professor, a seminary teacher, a home missionary, a publication expert and a foreign missionary. Together, we can send the Gospel around the world.

SUNDAY SCHOOL REPORT

As I study the Sunday school reports for the past year I am greatly encouraged. The number of Standard Sunday schools has increased greatly this year and as a result churches are doing more to reach, teach and win the lost. A number of other churches are working toward the standard.

Our Vacation Bible School reports show an increase in Standard Bible Schools. This also is encouraging to know the quality of work is being raised.

Though we are encouraged with this growth we must see the fields white ready for harvest. There are many in our communities that are not enrolled in Sunday school. Even fifty percent of the church members in the average Baptist church is not enrolled in Sunday school.

Our theme for 1963-64 is "Outreach for the Unreached — Spearhead for Evangelism". If each church will take the information that will be available through our county-wide survey and use it, we will be able to reach, teach and win many who are lost today.

All churches are asked to cooperate with the associational Sunday school program. Attend the meetings. Become acquainted with the goals for 1963-64. Let us work together in such a way that all might come to know Jesus Christ as Lord and Saviour.

Howard Laney,
Sunday School Supt.

MISSIONARY'S REPORT

As we come to render an account of our stewardship for another year and reflect on the past, we are deeply grateful to God for his goodness toward us and to the churches of the Buncombe Association for the fine spirit of cooperation we have found among them. I give a brief report of the activities of the year:

Travelled 32,000 miles
Sermons — 74
Missionary workshops — 2 weeks
Home Mission Conference — 1 week
Study courses — 9
Idaho Crusade — 2 weeks
School of Missions — 1 week
Committees and conferences — 64
Vacation Bible School Clinics — 3
Bible Schools — 2 weeks
I also assisted in the Vacation Bible School work among the Negro churches and served as chairman of the Survey Committee for Asheville and Buncombe County.

From the reports of the letters received (75% in) we have an increase of about 10% to missions, but a loss in the number baptized. With more than 75,000 unchurched in our county and the birth rate increasing each year, we are not proud of this soul winning record. Let us join our hearts in prayer, put our shoulders to the wheel and move on in His will.

In the light of some observations in our Association I wish to make the following recommendations:

1. Every church enter into the city and county wide religious survey.
2. That the laymen give full support to the laymens' revival in November to be held at the City Auditorium.
3. That every church plan a revival during the date of March 29 to April 12, 1964.
4. That we increase our efforts to interest our young people in church related vocations and help them to find God's Will and to render assistance in their preparation for service.
5. That in the light of world need we increase our mission giving, and inform our people of this need.

Respectfully submitted,
E. V. Plemmons, Missionary

MINISTERS RETIREMENT PLAN

The Apostle Paul in the 5th chapter and eighth verse of I Timothy says that "If any provide not for his own, and especially for those of his own, he hath denied the faith, and is worse than an infidel!

It seems to me that these words are a challenge especially to every pastor to make provision for his income after he retires, and also to look out for the protection of his loved ones after his death.

I know of no better protection than that offered by our Relief and Annuity Board. It offers a retirement income, a disability payment, and survivors benefits.

Every church ought to see that its pastor is taken care of. It is not only protection for the pastor against disability, but it protects the church in case of sickness and accident of its pastor. I would urge every board of deacons to recommend to your church and lead them to adopt the plan and pay the pastors part of it. Most all business concerns have a plan of protection for their employees as well as retirement at certain ages or disability. Southern Baptists have a good plan. There are only 39 churches in our association that are sharing in the relief and annuity program. If any church desires information it can contact your Missionary or the Committee Chairman.

Respectfully submitted,
Rev. B. S. Hensley, Chairman

MUSIC COMMITTEE REPORT

With the Association Music Director serving as chairman, the Associational Music Committee attempts to develop an associational music education program that can benefit every church, encourages the development of a music ministry in each church, and other activities, and works closely with the State and Convention Music Departments, coordinating their activities with the Association plans.

During the past year the following activities were sponsored by the Music Committee:

The chairman of the committee led the music for the Associational meeting, and a massed choir, and others, furnished special music.

The Associational Music Director attended a state planning meeting at Fruitland August 31-September 1, and helped conduct associational planning meetings the week of September 3. Our own planning was held at Calvary church on September 4.

The committee sponsored an Adult Choir Festival at First Baptist, Asheville, on September 16.

Handel's oratorio, The Messiah, was presented on December 2 by members of choirs from churchs of the Association, with 110 in the chorus, and more than 1000 in attendance. This was the third consecutive presentation of "The Messiah" by our Association.

A massed associational Choir sang for "M" night on December 3.

Two music study books were taught in the Central Training School in February.

Regional choir festivals were held on February 22 at Black Mountain First and on March 1 in Asheville First, with the largest participation from churches of our Association. Many of these went on to the state festivals at Wake Forest and Mars Hill Colleges.

The committee sponsored a "Messiah" sing for the choirs of the Association churches on May 5.

In addition to these activities, the music committee met on the 2nd Tuesday of each month, and members of the committee attended the music meeting preceding the State Convention in November, the Associational Planning meeting in Waynesville in May, the music conferences at Ridgecrest and Caswell, and other meetings throughout the year.

We urge that each church initiate a local training program during the coming year, either with music classes or a local school of music, and that each church send as many as possible to the Associational School of Music to be held at First Baptist, Asheville, October 14-18. We hope, too, that even more of our churches will participate in the Regional and State Festivals, and will sponsor attendance at the Music Leadership weeks at our State and Southwide Assemblies.

Respectfully submitted,

Carl Perry,

Associational Music Director

WOMAN'S MISSIONARY UNION

It is believed that some progress has been made in the work of WMU during the past year as we have entered into the celebration of the 75th year of the organization of our convention-wide WMU. Each year, during the year of Jubilee which began four years ago, has been designated as a year of prayer, but more emphasis has been placed upon prayer during the past year. Prayer retreats have been held in local churches, by the executive board and in one of our quarterly meetings during Associational Night. Under the direction of Mrs. Cecil Perry, Mission study institutes have been held for the purpose of training teachers to go back into their local churches and teach books to their constituency.

Under the head of community missions, we have assisted in paying the salary of a colored girl who has taught in Vacation Bible Schools in the colored churches of the Mud Creek Association. The Executive Board voted just recently to allocate $10 a month toward the college education of a worthy colored girl the coming session. There have been some disruptions in our community missions department due to circumstances over which we have no control, but it is expected the work will go forward this year under the direction of Mrs. E. C. Waldrop, our new chairman.

The YWA's under the direction of Mrs. I. V. Couch have progressed in their various activities. One outstanding event was their banquet held at the First Church, Asheville, on a cold rainy night when 132 girls and counselors were present. Rev. I. V. Couch was the speaker and Mr. Ken Bryant was a program personality.

Under Mrs. E. V. Plemmons' supervision, the GA's of the association have been celebrating their 50th anniversary in a big way. An anniversary party was held at Westwood Baptist Church when the girls carried their own box lunches and over 600 girls were in attendance. The drinks were furnished by the entertaining church and they had a surprise in the number present.

Miss Billy Burleson is the Sunbeam Band Director and she is very proud of the progress made in that department. There was a large group that attended the Leadership Course held at Merrimon Avenue Baptist Church and the number securing cards of accreditation in this course was very gratifying. A day camp was held at Erwin Park for eight year old Sunbeams which was attended by Miss Hamrick who was then State Sunbeam Band director. She was very much pleased with the way the camp was managed. Another will be held this August.

Leadership courses for all the organizations were held simultaneously at the Merrimon Avenue Church, and there was an increase in the number securing cards of accreditation in all the departments.

Our statistical report shows 65 Woman's Missionary Societies; 27 Young Woman's Auxiliaries; 75 Girls' Auxiliaries; 51 Sunbeam Bands and 9 Sunbeam Nurseries, bring the total number of organizations up to 225. Reports have come of new Woman's Missionary Societies in at least two of the churches and it is hoped that the number will increase during the coming year.

It is a joy to be able to present Mrs. A. T. Usher as the new President of the Buncombe WMU and it is hoped more progress will be made under her leadership than has been made under the one who served five years legally and extra year illegally, because of the constitutional limit of the term of officers to five years. Our prayers will go with Mrs. Usher as she enters upon this task in October.

Respectfully submitted,
Vonnie E. Lance, Acting President

LIBRARY REPORT

During the past year our library work has made some progress.

The State Library Convention met with us in May with a goodly number of librarians present, especially from the Western and Eastern parts of the State.

We have been able to start several new libraries and revitalize another. A number of other churches will be ready to establish libraries in their new church buildings in the near future.

We have held three quarterly associational meetings with many librarians attending.

This year at Ridgecrest August 22-29, we hope many will attend, each church should see that their librarian or representative attend these helpful meetings.

The conferences will be so divided that a person can get two different phases of the work each day. Take a group with you and get a mileage gas refund.

We have loaned our small book cabinet to four churches and have shown it in four other associations. The French Broad Association now has a library organization. One of these cabinets is now at Craggy Prison Camp.

Our state library president, Dr. David Fletcher, borrowed one of these cabinets to show a group at Greensboro and Charlotte. Dr. C. C. Warren thought the little cabinet a good idea and suggested that it could be used to a good advantage in other sections.

We now have thirty-five churches with libraries in Buncombe Association, with some six or eight other churches working towards that goal.

The forty dollars provided by the Association was spent for books for small cabinet and supplies during the convention.

It has been said that a "book break is more helpful than a coffee break", so lets keep a book handy to read when we have a few spare moments.

Books, from your church library offer you real refreshment, relieve tension, break monotony, provides a change of pace, offer something different and give you a new lease on life.

For religious training in the home read Deuteronomy 11-19 and Prov. 22-6.

M. H. Cox, President

CHRISTIAN EDUCATION

For several years now, there has been a growing interest in Christian Higher Education in North Carolina. Perhaps one reason is the increased emphasis in our country on the need for higher education in our complex society. Another is the realization that a materialistic concept of life controls so much of the thinking of our world that we should counter balance it with Christian scholarship and Christian training.

North Carolina Baptists have taken this task seriously. They have seven excellent colleges, three standard junior colleges, two colleges that are now in the process of becoming standard four-year senior colleges, one excellent four-year woman's college and one university. It is vitally important that we continue this support in these days when there are so many non-Christian attitudes in our world.

During the past year, 9189 students were enrolled in our seven colleges as follows:

Campbell College	1727
Chowan College	851
Gardner Webb College	615
Mars Hill College	1189
Meredith College	880
Wingate College	1012
Wake Forest College	2915

Of special interest this year is the fact that Campbell College graduated their first senior class and Mars Hill College began the junior year.

We need these colleges to develop Christian leadership for our churches, our denominational program and for a needy world. We have alumni from our Baptist colleges serving in our mission program around the world. We have every reason to be proud of them.

The State is rapidly stepping up its support for state colleges. This means they have money for new buildings, higher salaries and student scholarships. If we are to stay in the field of Christian higher education, we must find a way to do more for our colleges now. The Three-year Educational Advance has not produced the amount we had hoped for our colleges. There has been a number of reasons for the failure of our Cooperative Program to increase as rapidly as it should this year. But the fact that the receipts have levelled off means the colleges will get very little additional funds this year. Surely we must find some way soon to increase this support.

We must also support our colleges with our personal witness and loyalty. In my observation, the faculty members are doing a superb job with limited salaries. Most of the colleges need new buildings, but all of them desperately need funds to increase faculty salaries. We cannot hope to compete with state colleges for well trained faculty members unless we can raise our salary schedule immediately. We cannot expect our college administration to perform miracles in raising money, while we drift along with our giving through the local church.

We must quit criticizing our colleges and start adequately supporting them, or we will lose them. The need is immediate and urgent. We would urge every church to increase their Cooperative Program offerings for the balance of this year with the hope that the increase will give our colleges some needed relief.

We also urge our churches to observe Christian Education Day next June and receive a special offering for our colleges.

Respectfully submitted,

W. Perry Crouch, Chairman

Committee on Christian Education

BIBLICAL RECORDER AND OTHER BAPTIST LITERATURE

The BIBLICAL RECORDER has literally grown up with North Carolina Baptists and the State Convention that they support. The Convention was organized in 1830 at Greenville and only three years later in 1833 the BIBLICAL RECORDER made its first appearance. It has been in business ever since strengthening and undergirding all that Baptists of this state love and support. As the Convention has grown, the RECORDER has grown in influence and circulation. Today it has more than 80,000 subscribers, the largest in its 130 year history.

In its long history, the RECORDER has been a valuable instrument of communication among Baptists. This is so important today as tensions arise. There must be a place where Baptists can come together in a common meeting place. The RECORDER provides this meeting place each week. When people know, they respond. When they are not informed properly and accurately, they become victims of rumors and misinformation.

Churches which already have clubs know the value of the RECORDER subscribers except the pastor and Sunday school superintendent who receive the paper complimentary. As an incentive to churches to organize new clubs, the RECORDER IS OFFERING a two-months' bonus plan. Simply stated, members of a new club can receive the RECORDER 14 months for the price of only 12 months. For only $2.50, in clubs of four or more, new subscribers can receive the RECORDER for 14 months the first year. After that period, we believe these new readers will want the paper to continue indefinitely. Pastors and Sunday school superintendents are urged to take the initiative in organizing a new club.

Even better than this bonus plan is the Every Family Plan which sends the RECORDER to every family in your church for only 4¢ a week, per family. This is a small investment with tremendous dividends.

The RECORDER staff is at the service of North Carolina Baptists. It is dedicated to all that is strengthening the Baptist witness in this state and around the world. We believe it is worthy of your support and prayers.

AMERICAN BIBLE SOCIETY

Growing populations throughout the world, increased literacy particularly in the new nations, and more effective Christian missionary work have increased tremendously the demand for Scriptures.

The American Bible Society has an annual distribution of 30 million copies, and this is double what it was five years ago and the goal by 1966 is 75 million. The demand for Scriptures on every continent is so great that even this huge distribution increase will not keep up with it. Translation work in new languages is mounting and revisions are under way in virtually all existing major translations.

The headquarters of the Society, a New York landmark and major tourist attraction, will be relocated near the Lincoln Center area. They have purchased a site on the northwest corner of Broadway and West 61st Street, where it plans to erect a new Bible House to serve as the Society's fifth home since it was founded in 1816. The new building will make possible the consolidation of its offices.

For tourists the major improvement will be enlarged facilities for visiting the Society's library, the only library in this country devoted to only one Book, the Bible. The collection, the largest in the Western Hemisphere, contains 22,000 copies of the Holy Scriptures in more than 1,100 languages and dialects.

The Building of the new Bible House is contingent upon the success of a World Opportunity Fund drive which will be the start of an advance program, leading to the observance of the Society's 150th Anniversary in 1966.

The Society now conducts work in more than 100 countries. Our Missionaries depend on the Society for Scriptures they need for their people, and Southern Baptists believe in the missionary importance of giving to the American Bible Society. Has your church given this year? Send your gifts to the Baptist State Convention office in Raleigh marked "for the American Bible Society".

AUDITOR'S REPORT

As Auditor of the Buncombe Baptist Association, I have examined the books and all records of the Treasurer and have found them in excellent condition and correct in every respect. All funds are properly accounted for, and have been dispensed as budgeted. The Association is fortunate to have so thorough and neat bookkeeper.

Woodrow Flynn,

Associational Auditor

BAPTIST CHILDREN'S HOMES

More children were served by the Baptist Children's Homes of North Carolina last year than ever before in history. This was made possible by the interest, prayers and giving of North Carolina Baptists and other friends. We are indeed grateful for every remembrance—the Thanksgiving offerings, once-a-month offerings, Cooperative Program gifts, food, clothing and other things. Without these we could not provide the many services to children and families which we do.

The physical, mental, social and spiritual growth and development of our children has been most gratifying. North Carolina Baptists have every reason to rejoice with the very fine response of these boys and girls to the Christian love and care afforded them. Members of an already fine and capable staff continue to grow in their love for children and their ability to work effectively with them.

We have been reminded for several years of a growing need for specialized services for an increasing number of children who suffer emotional illness. We are happy to report that these services are being provided a limited number of children in a small home at Chapel Hill in cooperation with the University Medical Center. They are receiving the best professional, medical help that can be provided. We are most fortunate to have this facility. It will strengthen greatly our entire program of child care.

We are compelled to keep our pressing needs before you. Applications for the admission of children are increasing. Relatives, pastors, friends of dependent children, departments of public welfare and others plead with the leadership of the Homes daily for help. A familiar plea is, "Unless you can help this child, there is no hope for him." We lay upon your hearts four areas of need.

1. An immediate increase in the number of children in good Christian foster homes in all areas of the state.
2. Continuous expansion and up-grading of facilities to enable the homes to keep abreast of the best in child care.
3. An increase in financial support to undergird and strengthen the entire program.

A generous Thanksgiving offering is a must! Without it we cannot maintain what we now have in progress. We would challenge Pastors, Sunday School Superintendents and church leaders to make the best preparation possible for the forthcoming offering. Giving for the care of dependent children affords one of our greatest jobs in Christian service.

Financial support for the past year has come from the following sources:

Cooperative Program	33 per cent
Thanksgiving Offering	30 per cent
Once-a-Month Offering	16 per cent
All Other	21 per cent

Charity and Children, the official publication of the Homes is now in its 76th year of publication and is widely read by our Baptist people. It has long been one of the best religious papers published among Southern Baptists. Every family in every church is invited to be among its readers to keep informed about our child care program and the world mission of our Lord. An issue of **Charity and Children** can be enjoyed each week during the year for only sixty cents. See that your church receives it.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

God has blessed the ministry of our North Carolina Baptist Homes in a wonderful manner during the twelve years of our operation, and the past year has been filled with his goodness.

We are now able to serve 160 residents in our four Baptist Homes — the Hayes Home and Resthaven in Winston-Salem, the Albemarle Home at Albemarle, and the Hamilton Home at Hamilton.

In June of 1962, the doors of the lovely new Hamilton Home were opened to the first residents, and the halls have been ringing with the laughter and the happiness of the residents there since. This beautiful facility has greatly lengthened and strengthened the arm of our total ministry, and has already brought much joy to our Baptist people in Eastern North Carolina.

The greatest single need is for more space continually. Today there are 160 people waiting for admission, from all areas of our great State, and it is an heart-breaking experience to keep these dear people waiting who so urgently need to come.

The average age among our residents is 80. Our youngest resident is 65, and our oldest resident will be 102 in July. Between this age span, we are seeking to meet almost every conceivable life need of the individual. Each person, in an atmosphere that is distinctly Christian, is surrounded by love, peace, and security. Perhaps one of the greatest single contributions that is made is the nursing care that is given in the event of illness. The resident is assured that he will receive tender loving care in sickness as well as in health. Years are literally added to the life of a person in our care, we feel.

The tie with our Baptist people and our Baptist Churches is a blessed one indeed. We are continually dependent upon the prayers, the visits, the loving concern, and the financial support of our people. The two most vital media of support from the churches are the Special Day Offerings, received on the third Sunday of February each year, and the Homes' share in the Cooperative Program. Inasmuch as we receive only 1 3/10% of the State Convention's share of the Cooperative Program, or $7.92 out of each $1,000.00 contributed through the Cooperative Program, we shall have to continue to look to the Special Day Offerings for the greater part of our support from the churches.

North Carolina Baptists have given a good account of their stewardship in their ministry to the aging during these years of a wonderful beginning, and we have the faith to believe that they will continue to move forward in this great area of human concern.

BAPTIST HOSPITAL

The opportunity of serving persons created in the image of God is a high and holy privilege.

You and I have such an opportunity in multiplied thousands of people who are sick in body, mind and spirit, and who come to our Baptist Hospital seeking help. We reach out the hand of love and mercy through the skilled and dedicated hands of our doctors, nurses, chaplains, and many others involved in this ministry to the total person. We are grateful for this opportunity of joining hands with those who sooth the fevered brow, give the miracle drug, guide the surgeon's knife, bring the message of hope, and do the hundreds of other tasks which are necessary in the operation of our great Medical Center.

The number of those who receive the services of our Hospital this year will be greater than the population of one of our medium size North Carolina cities, such as Goldsboro or Salisbury. Most of them will be seriously ill and referred by their family physicians because they need the kind of care availabie only in a large medical center. They will come from all areas of our state and from all walks and circumstances of life. What a privilege it is to serve these friends in need and what a challenge to our skills and our compassion!

The Mother's Day Fund, which we provide by our special offerings or by an item in our church budgets designated for the Hospital, is the means thru which we make it possible for those who cannot pay to have the care they need. The $176,000 which the Hospital receives from the Cooperative Program provided by our churches must go to help pay for buildings, purchase equipment, and support the Department of Pastoral Care.

We call attention to the Service Patient Endowment Fund of the Hospital which we may place in our wills for any amount, or contribute to at any time, and thus continue to be a part of this service of love through the years after we are gone.

We wish to thank our people for their share in this ministry and call upon them to make their support a worthy expression of their Christian concern.

Respectfully submitted,

A. T. Usher, Hospital Representative

N. C. BAPTIST FOUNDATION, INC.

Since July, 1962, the North Carolina Baptist Foundation has established an office in the Baptist Building with a full-time Executive Secretary and secretarial help. This is the first time in the history of the Foundation that it has engaged in full-time emphases. The activities of the Executive Secretary have been varied. One of the purposes of the Board of Directors has been to carry the message of the services offered by the Foundation to as many associations as possible; into as many churches as possible; and to as many individuals as he has had the opportunity. These contracts have been quite stimulating and it remains to be seen what results will accrue from these contacts.

On June 30, 1962, we reported to you that the assets of the Foundation amounted to $303,186.66. The assets of the North Carolina Baptist Foundation as of June 30, 1963, were $324,256.39. Since the close of business last year in June, 1962, the Foundation has technically in its control two estates of rather large size. The estate of R. Sterling Graves amounts to approximately $440,000. The estate of T. F. Pettus is in the neighborhood of $110,000. Both of these estates are in the hands of the trustees of the estates and for all practical purposes they will be turned over to the Foundation in the near future. These two estates will push our assets to over $870,000. The Baptist Foundation has emphasized the fact over and over again that it exists to serve ALL Baptists. Those who have relatively small amounts of money, personal property or other real assets, will find the Foundation is just as anxious to serve them as it is to serve the larger estates. It is a fundamental belief of the Directors of the Foundation that the Foundation exists to serve ALL Baptists.

The Baptist Foundation Board of Directors and the Executive Secretary wish to express their deep appreciation to the various organizations, institutions and agencies that have assisted them with the promotion of the Foundation program. We solicit your continued support and hope that the Foundation will be better able, year by year, to render the services for which it was established.

C. Gordon Maddrey

Executive Secretary

THE CO-OPERATIVE PROGRAM

We think of the Co-operative Program as the giving part of missions. Every Christian should feel himself in close contact with the concern of Christ for the whole world. Not all our responsibility is in giving alone for we are told by our Lord to witness to His saving grace simultaneously on the local, home, and foreign field. As we

worship Him with our tithes and offerings we offer ourselves and our money upon the altar of complete dedication to the work of Christ's kingdom. We believe this to be the real test of our willingness to obey the will of God in witnessing, teaching, healing and preaching at home and unto the ends of the earth.

The Co-operative Program is the love of God working among the peoples of the whole world in the program of educational missions, medical missions, publication missions, all of them evangelistic in heart and purpose. This work is being fostered in thirty-nine countries.

We could do much more effective work if Southern Baptists would tithe their income and have a deeper desire to share Christ with the world. The Forward Program of Church Finance and the growth in Christian Stewardship programs are helpful in churches over 300 and under 300 respectively. We rank about seventh in the number of missionaries sent out according to the number of membership of our churches, which is about eight million. Some of those ahead of us on a per capita basis are the American Baptists and the Methodists. Have you figured out how much your church gave to world missions last year on a per capita basis?

Figure the percentage of the total gifts of your church for all causes and see what percentage of that amount was given through the Co-operative Program. We register the deep conviction that we should be more Christian in the division of our funds if we intend to carry out the Great Commission. Since 1925 the Co-operative Program in our churches has helped to present a united front and to develop a unified approach in carrying out the Great Commission of our Lord.

What happens to the moneys given through the Co-operative Program? All contributions for all causes are sent to the Convention office in Raleigh, 34% for southwide causes and 66% for state causes. This is according to the expressed vote of the messengers of the Baptist State Convention and the Southern Baptist Convention. By decision of the Special Convention in Greensboro our churches are urged to step up their giving through the Co-operative Program 35% with the limit of increase for the state Co-operative Program budget of 5% for next year. All receipts over and above the required budget are designated for the expansion and capital improvement in the program of higher Education through our seven Baptist Colleges.

During the past associational year 70 churches of the Buncombe Association gave a total of $22,516 through the Cooperative Program. 20 churches, according to available records, did not contribute to the World Program of Jesus through the Cooperative Program.

In the year ahead, above all things, let us determine to be faithful to the guidance of God's Spirit and share with a lost world to the limit of our ability.

RECOMMENDATIONS

1. We recommend that our churches focus attention upon world missions using four Wednesdays in October (or some other month) as **Co-operative Program** Emphasis Month. Southwide periodicals, the BIBLICAL RECORDER, and material provided by the Division of Stewardship Promotion, Baptist State Convention, supply a rich field for program building in the local church. Thus our people are informed and challenged to pray for all mission causes.

2. We recommend that every church in the association give prayerful consideration to increasing the percentage now being given to missions through the Cooperative Program.

C. W. Smith, Chairman

TRAINING UNION

"Be Ye Witnesses" has been the theme for our Training Union this year. We hope that this theme will continue to be outstanding to us as we train ourselves to do the task our Lord has for each of us. In this effort the Training Union promoted the observance of "World Missions Week" in the churches.

New Training Unions have been organized at Buena Vista and New Salem. We are happy to welcome them into our Training Union family.

"Our "M" night attendance is increasing each year. At our last "M" night meeting there were 1313 present with fifty-four churches represented. Our speaker this year will be Dr. Theron D. Price, Director of Department of Religion, Furman University.

Youth Night was held at Grace church with three hundred twenty-nine attending. Seven young people participated in the Speakers' Tournament. Sylvia Valentine, who was the winner, was also winner in the region and alternate winner in the state tournament.

Several adults participated in the Adult Scripture Reading with Mrs. Laurel Allen winning. We were glad to have more intermediates enter the Sword Drill. Doris Hall was winner in the association, in the region and went on to the state tournament. There were thirty-six participants in the Junior Memory Work.

Training Union was well represented in the Central Training School. Hominy district had a good district training school and one is being planned for the Mount Carmel district.

We are happy to report that Mrs. F. C. Miller, Sr., of the Hominy Church is the first one in our state to complete all five diplomas in the Church Study Course. She was recognized and interviewed at our State Assembly at Fort Caswell during a Training Union week there. We hope this achievement will encourage others to work toward the completion of these diplomas.

Much has been accomplished during the years through Training Union. Yet there is much to be done!

Mrs. Orville Myers

Training Union Director

HISTORIAN REPORT

From a study of the 76 letters reported to date to the Association, we find much to be thankful for and to commend our people for. However, not all is to our credit for of this number of churches, we note that eleven reported no baptisms for the year. Yet we are most grateful to the other sixty-five who made a fine report in this respect though a few only reported one. We should not forget that this is the Lord's business and we have a covenant to keep. We also note that it was necessary for only three of these churches to call a new pastor during the past year: Trinity called Rev. Judson A. Hall; Bee Tree called Rev. Albert Parham; and Morningside called Rev. James H. Ballard. The former pastor of Morningside, Rev. A. J. Buckner retired but from all reports he has not retired from serving the Lord for he affectionately is known as the "Assistant Pastor" at Calvary where he is now a member. Two others are noted, but not listed on report . . . Rev. James F. Kirstein was called by the Fairview Church, and Rev. Arvil Swafford by the Elk Mtn. Church.

As we study the letters to the Association, we certainly see that the Baptists of our Association are buying additional property, building new buildings, improving their present buildings, adding new rooms and equipment. The Arden Church reports that property has been purchased on 25A and the first unit of a new church building has been started. Chestnut Hill reports a new furnace installed and also a new cemetery fence has been erected. First Church of Asheville reports loan on new building has been paid. Grace Church has completed and dedicated their new educational building. Grove Stone Church has purchased four acres for a new church building. Hominy Church held their Sesquicentennial observance during the year and are to be congratulated on such a fine record.

Jupiter has added brick to the outside of their church building which adds beauty and value to their property. Maple Ridge Church has purchased and installed new seats. Morningside Church stated that they had a Standard Vacation Bible School this year for the first time. Skyland Church has repaired and improved their pastorium so that the pastor could be in the church area. Trinity Church reports a well dug, pump installed and several rooms added for classes. Vance Avenue Church has purchased a parking lot which is a necessity for all churches. Biltmore entered new building in a new location and had dedication services May 19, 1963.

We feel sure that several of the other churches had items of interest, but their letters were not available.

BROTHERHOOD

"When the Brotherhood began in 1907 as the layman's Missionary Movement, its purpose was to stimulate the zeal and activity of laymen to a more thorough consecration of their time, prayer, and means to the glory of God in worldwide evangelism. A prime object of the movement was the enlistment of men in the affairs of Christ's kingdom. It was a systematic effort on the part of those laymen who had a constraining vision to bring the great mass of laymen face to face with their religious obligation. It was an appeal to laymen from the standpoint of laymen. It urged men to pray daily, study diligently, plan wisely, serve zealously, and give generously that the kingdom of Christ might prosper. . ."

(Howse, W. L. and Thomason, W. O., A Church Organized and Functioning: Convention Press, Nashville, 1963, Pp. 91-92.)

Brotherhood Leadership in North Carolina has set forth a program which is designed to develop a strong missionary movement of Baptist laymen. Some Brotherhoods are working with the migrant farm laborers, men in prison, and men on probation. At least, some Brotherhoods, are serving the deaf people by seeing that the church provides a Sunday school class and worship opportunities for them. The men provide transportation to and from the services for the deaf. These are mere samples of missionary activities which men can and are doing in the church community and association.

Last year, several North Carolina laymen shared their witness on the missionary fields of Ohio. These men came back with a new interest in the missionary opportunities of Southern Baptists.

In July 1964, laymen from North Carolina will have opportunity to participate in Baptist Missions in North Dakota, Washington, Oregon, and California. They will join with 1,500 Baptist laymen from all states of the Southern Baptist Convention for the great West Coast Laymen's Crusade.

In North Carolina, 1,450 Brotherhoods, with an enrollment of 35,000, and 2,000 Royal Ambassador Chapters, with an enrollment of 25,000 provide a vast reservoir of strength to be used for world evangelization. Still, in Baptist churches of North Carolina, there are approximately 200,000 men and equally as many boys who are not enlisted. This is a tragic waste of manpower. This fact is an indictment against everything our churches have proposed as methods for calling church members to mature, dedicated service for Christ our Lord. Through the Royal Ambassador program men can provide missionary education for boys. From this host of boys which are in our churches today, will come the men missionaries of tomorrow. If men fail at the point of providing for the boys now, the future struggle for world evangelization is already lost.

In our Buncombe Association we have 42 Brotherhoods, two having been organized during the year, one at Grove Stone and the other at Long Shoals. Faithful and effective work has been done by our Committee Chairman: Bro. Luther Osment, RA Leader; Pat Oxner, Christian Witness Leader; Neal Pyatt, Personal Stewardship Leader; Harold Swann, World Missions Leader and Geo. Netherton as Secretary. Due to the deep spiritual depression through which we are passing our thoughts, efforts, and prayers have been directed toward

bringing the lost to a saving knowledge of our Lord and Saviour Jesus Christ. Sunday, Jan. 1, 1963, SOUL-WINNING COMMITMENT DAY, 29 of our laymen brought messages in the churches appealing to Christians to "commit their lives to winning lost in 63." Recently our faithful officers along with Rev. Plemmons have been meeting monthly for prayer bending every effort for a County-wide revival this fall. Our prayers are now being answered in a marvelous way. The Steering Committee of the 3 year Evangelistic Program has arranged for a County-wide Revival Meeting for all churches, denominations and races at the City Auditorium, November 15-24th. Rev. Lane G. Adams will be the evangelist, Cliff Barrows will lead the music. We have only 94 more days to work and pray.

Respectfully submitted,

Bert Starnes, President

SEMINARY EXTENSION PROGRAM

Pastors and laymen alike in the Buncombe Baptist Association have an opportunity this year which they have not had since 1956. Beginning Tuesday night, September 3, we will have a Seminary Extension Program. The school will meet at the First Baptist Church each Tuesday night from 7:00 to 8:30 for a twelve week period. Two courses will be taught simultaneously. Rev. Wm. Snyder, pastor of Beverly Hills Church, will teach New Testament 112., and Mr. Jim Smithwick, Educational Director of Calvary Church, will teach Religious Education 115.

We are fortunate to have as our director for the Center, Rev. M. D. Smith, pastor of Hominy Church. Mr. Tommy Moretz, a member of Beverly Hill Church, will serve as registrar. The work of the advisory committee in planning this program is greatly appreciated. The committee is composed of Rev. John Grant, pastor of Biltmore; Rev. John Ralph Willis, pastor of Oakley, and Rev. Wm. A. Snyder, pastor of Beverly Hills Church.

The purpose of the Seminary Extension Department is to educate and train leaders who cannot attend a college or seminary. Thousands of church leaders desire and need additional training. Some have turned to radio and television preachers for help; others have turned to the non-denominational schools. In the seminary extension program laymen and women benefit and make up more than 50% of the enrollment of most centers.

Through the Seminary Extension Department you now can receive the very finest seminary training right in your own community. Jointly sponsored by all the Southern Baptist Seminaries and directed by the Extension Department, the program is planned to develop leadership, provide instruction in Bible, doctrines, counseling, religious education, and many other subjects.

These days call for better trained leadership. The extension program provides the disciplined study necessary for such leadership.

This is our golden opportunity. Let us not pass it by.

James Parham, Chairman

REPORTS

COOPERATIVE PROGRAM

Surely every Baptist rejoices at the increased support of the Cooperative Program the past year. This good news is a tribute to every mission minded pastor and church in our Association and State and also to our associational missionaries. The percentage of increase in giving through the Cooperative Program in North Carolina last year was about 12% above last year.

But when looking at what could be done if all our churches were more faithful in stewardship, we must confess that we are a long way from the ideal, which our Lord holds up for dedicated Christians.

We prove the sincerity of our profession by the way we obey Christ's command to go into the whole world with the Gospel. If we fail at this point who can measure the shame of such failure? He has no other plan than that given to His disciples.

Is our purpose to grow a missionary church or to win a lost world? Do they not go together? A revival of missionary endeavor waits upon a world-wide stewardship revival. God waits for the poor, the well-to-do, and the rich to honor Him with the first fruits of their labor. Then, the Bible makes it quite clear that a Christian ought not be satisfied with just the tithe, but lay all upon the altar for Christ. Tithing is a moral obligation, not a ceremonial law, and under grace the church should be ashamed to neglect the tithe and more. Surely Jesus said as much about money as any other one thing. Why? Because of its importance to a growing Christian and to the winning of the world to Christ. Proportionate giving according to prosperity will deepen the spiritual life and at the same time provide support for the much needed expanded missionary advance within the next twelve month priod. We must not let up now but rather increase financial support and missionary recruits in a world of exploding population and spiritual darkness. You are there in proportion to your giving through the Cooperative Program and your prayer support for the missionaries already appointed and on the fields. In the face of Multitudes without Christ and without Christ and without food, it is difficult for Americans to realize that we are not our own, but God's.

The largest denominational body in the world has a combined wealth greater than any group and Southern Baptists alone could do much more to send the Gospel to the whole world within one generation if we could.

Cooperative Program support includes much more than specific mission work. It includes 25 7/10% of our seven Baptist colleges; Wake Forest, Campbell, Meredith, Mars Hill, Wingate, Chowan, and Gardner-Webb. 12 7/10% of our social services: the Children's Homes, the Hospital, and the Homes for the Aging, 25 3/10% of our State Mission program, Administrative support of 2 3/10%, lastly 34% of all SBC. objects including Home and Foreign Missions, Seminaries and Commissions, etc.

N. C. Baptists are engaged in Cooperative Program Advance. Every member of every Baptist Church in North Carolina can have a part in a continuing Program of Advance during 1964. Those who share in making the 1964 goals a reality have a part in a World Missions Program beginning in N. C., reaching across the nations and extending around the world. We are now in the third year of the present Advance Program. The Cooperative Program goal for 1964 is $4,796,810 and the Advance goal is $215,444 making a total of $5,013,254. Active participation by each church will insure the success of this challenging endeavor.

EVANGELISM REPORT

Evangelism is the first task of the church. God has left His Church in the world as a witness to the saving power of Jesus Christ. If we are not engaged in the task of evangelism, no matter what else we may be trying to do, we are not doing what God wants us to do and has ordained that we should do.

There are encouraging signs and reports that more of our churches in the Buncombe Baptist Association are reaching out and winning others to faith in Christ. It appears that this year has been one of the most fruitful years in evangelism in the past four or five years. All of the reports are not in, but there seems to be an indication of almost twice as many conversions this year than last year in most churches.

Most of our churches were engaged in Baptist Jubilee Revivals this year and the simultaneous efforts were blessed of God.

As we look at the progress of the past year we are grateful to God for his blessings in our work of evangelism, but we are also reminded of the challenge and prospects of the future. Buncombe county is growing. The birth rate in our country and county is higher than the rate of winning men to Christ by our churches. We must never allow the evangelistic thrust and spirit of our churches to become silent, but we must continue to pray to God for wisdom and strength to accomplish the task that is ours, the task of winning men to Christ.

Kenneth R. Lawson, Chairman

LIBRARY REPORT

Th year of our Lord 1963-64 has been outstanding in church library work. Locally we have been able to start five new church libraries and get several others interested in starting one in the very near future.

Buncombe Association tied for second place in the library emphasis the last part of 1963 to help reach ten thousand libraries in the Southern Baptist Convention, and we were recognized by having Dr. Harold Ingraham come from Nashville, Tennessee to present each associational officer with a copy of the Bible Story Book.

In the April emphasis there were two hundred libraries registered with the Sunday School Board and fourteen revitalized in the Convention. The North Carolina Library Convention met this year in Wilmington, N. C., with the Winter Park Church as host church, but the meetings were held on the Battleship USS North Carolina. This

meeting was very well attended by librarians from the mountains to the sea. Next year the meeting will be in Winston-Salem.

We now have some forty churches with libraries in our Association, several others starting one soon. Before another year has passed we hope to have fifty well organized libraries.

We are very anxious for all of our librarians and helpers to attend some if not all the library conference meetings at Ridgecrest August 20, to 27th to better prepare ourselves to serve our Lord in this ministry.

Reading is understanding the past, present and future. Charles F. Keeting says "My interest is in the future because I am going to spend the rest of my life there", better said . . . because we are going to spend eternity there.

"Study to show thyself approved unto God, a workman that need not to be ashamed, rightly dividing the word of truth".

M. H. Cox, President

TRAINING UNION

These are exciting days for the ministry of Training Union. Many new ideas, new materials, and a new seriousness concerning our need for Christian training are coming to us through our Training Unions!

This has been a busy year for Training Union in the Buncombe Association. Your associational Training Union officers have visited in many of our churches. We have assisted in organizing Training Unions, taught in the Central Training School and district training schools, and have taught study courses in individual churches.

Our association was represented in the Junior Memory Work, Intermediate Sword Drill, Speakers' Tournament, and the Adult Scripture Reading in the regional tournaments. Doris Hall was regional winner in the Sword Drill and participated in the Sword Drill at the Youth Convention in High Point.

Several of our Training Union members attended one of our Training Union assembly weeks at our state assembly at Southport or at Fruitland, and our Southwide Assembly at Ridgecrest.

May I urge each of you to study and stay up to date with current Training Union materials, especially "The Training Union Magazine". This is essential in order to know what is going on in Training Union work.

I want to thank each of you for your prayers, assistance, and support in carrying on the Training Union work. I would like to pledge to you my best during the coming year, and beg you to support and use your Training Union as a means toward a more effective Christian witness through the local church.

Mrs. Orville Myers,
Training Union Director

AUDITOR'S REPORT

The books and records of the Treasurer have been examined and found to be correct. All funds are properly accounted for, and have been disbursed according to the budget. The monthly, quarterly, and yearly reports to the Association are correct and reflect a job well done by the Treasurer. All records are well kept, and entries on the books are made neatly and accurately.

Acting Auditor

BROTHERHOOD REPORT

One year ago the men of Buncombe County Brotherhood were bending every effort for a County-wide Revival. Our efforts were rewarded and prayers were answered during November in a well attended meeting held at the City Auditorium. Rev. Lane G. Adams (who has recently joined with Billy Graham full time) was the evangelist. There were more than 500 who came forward and the spiritual blessings from the meeting were far reaching.

On February 28, 1964, the State Brotherhood Officers in Raleigh launched a Prison Program. Rev. Erskine Plemmons, Bert Sellars, and Bert Starnes represented Buncombe County at the meeting.

As a result we now have two well organized Sunday School classes at the Craggy Prison Camp. We meet at 9:30 each Sunday morning. Rev. Plemmons and Ralph Fore teach one class and Homer Smith and Bert Starnes the other. There were 16 present in our class last Sunday. The men like to sing and many denominations are represented. We expect someone to be saved every Sunday morning and sometimes they are. I have never at any time enjoyed a Sunday school class nearly so much. From the other class Brother Plemmons says, "We have 32 enrolled. The class is well organized with the officers coming from the prison group. We plan to organize another class soon".

These are the guiding principles for the Craggy Sunday School:

Objectives:

To organize the men of our County to:

Minister to men in prison.
To minister to the families of the inmates.
To help inmates to secure employment when released.
To assist in building a Christian home for the men to return to.

Guide Lines For The Work

To work with and through the churches and ministerial groups of all faiths. Channel any information to help the pastor and church in the community from which inmate comes. This program is not a "preaching service", but a Bible study.

Guide Lines of Home Ministry

To ask men from the church in the local community to visit the home and determine need. To enlist the church to meet these needs. Try to enlist the family in Sunday School and worship services at the church.

Forty-one of our North Carolina men are now witnessing in the far West taking part in the West Coast Laymen's Crusade, July 22-26, 1964. As the men of the brotherhood become more active and their efforts more effective from year to year our greatest physical asset is Camp CaRAway. At CaRAway we have over 1000 acres in timber land. This summer over 1000 Baptist boys will be spending at least one week of camping there. Many will find God's will for their lives and come to surrender to it.

Bert Starnes,

Brotherhood President

WOMAN'S MISSIONARY UNION

A word of appreciation is due to each associational officer for her fine spirit of cooperation, and to every member of the local organizations for efforts made on our Three Point Program for Progress during this Third Jubilee Year. Much good work has been done to: I. Achieve higher recognition on our aims for advancement; II. Celebrate the Jubilee; and III. Present Post Jubilee program. There has been an increase in number of organizations among the youth under the efficient leadership of Mrs. I. V. Couch, YWA; Mrs. Lynn Buckner, GA; and Mrs. Billy Burleson, Sunbeam Band.

During the year the Executive Board has held four quarterly meetings with luncheons at Bailey's and S. and W. Cafeterias. The State Workshop for associational officers, held at Fruitland in September was a great help toward preparation for and leading the conference for local officers at the West Asheville Church, October 21. The Mission Study Institute, on October 3, under the direction of Mrs. Cecil Perry was very well attended and most helpful for teachers of our foreign missions series.

Inspirational speaker for Associational Night in January was Rev. W. D. Fox who brought a message on the theme "Prayer and Praise", based on the current watchword, Psalm 105:1. Mrs. Lindsey Waters of First Church, Asheville, presented slides on the Holy Land for our April meeting, held jointly with the YWA Council. The message of Missionary Roberson of Viet Nam was appreciated by both Brotherhood and WMU at the July Missions night.

In the Central Training School in February, the WMS leadership course was taught by Miss Kathryn Bullard, State WMS Director of Raleigh. Fifty-two women were enrolled, including fifteen presidents. These benefited greatly from Miss Bullard's masterful presentation of the work. Simultaneously, our associational youth directors taught their particular local leaders, having a good attendance and many receiving cards of accreditation.

The associational president and youth directors were privileged to attend the annual state WMU meeting in Durham, March 10-12. A good number of our women attended the WMU Convention and Jubilee Celebration in Atlantic City.

The Biltmore WMS, Mrs. Charles Sexton, president, was hostess to our annual meeting in April, with an attendance of 212 representing 31 churches. Most inspiring and challenging messages were brought by Mrs. James T. McRae. former missionary to the Near East, and Mrs. A. L. Parker, State WMU President. The report of the Nominating Committee, Mrs. Ben Brigman, chairman, showed a few changes in the slate of officers for 1965. Mrs. Cecil Perry and Mrs. M. J. Carter having completed their five year terms as Mission Study Chairman and Treasurer were replaced by Mrs. W. T. Hodge and Mrs. Leonard Clayton. Mrs. Luther Brewer will assume the stewardship chairman's place for Mrs. John Knight. The new Sunbeam Director is Mrs. Charles T. Cobb.

Sixteen societies contributed $219.78 to the Brenda Reynolds Fund, helping a worthy local Negro girl during her senior year at Bennett College. The WMU allocated $75 toward the salary of a Vacation Bible School summer worker among the Negroes. The Lottie Moon Offering showed an increase this year.

Several WMU's have had Jubilee gatherings of their organizations, called a "Baptist Jubilee Fellowship", honoring the local pastor. It is hoped that every WMS will hold a Jubilee prayer retreat before the year ends. Mrs. McMurry's book "Spiritual Life Development" has meant much to all who have used it. We move into the future with confident hope that we shall "aim to advance" much higher in the scale of things than we have in the past. Still we covet the prayers of each of you as we are "laborers together with God".

Respectfully submitted,
Mrs. A. T. Usher, President

MUSIC COMMITTEE REPORT

With the Associational Music Director serving as Chairman, the Associational Music Committee attempts to develop an associational music education program that can benefit every church, encourages the development of a music ministry in each church, sets the dates for and promotes festivals, hymn sings, schools of music, and other activities and works closely with the State and Convention-wide Music Departments, coordinating their activities with Association plans.

During the past year the following activities were sponsored by the music committee:

The associational music director attended the Associational Planning Meeting in Winston-Salem in August, and conducted our own planning meeting the following week.

Members of the committee taught in the combined Western North Carolina music schools, sponsored jointly by the Sunday School Board in Nashville, Tennessee and our own State Music Department. Our own Associational Music School was held the week of October 14 with ten classes, and eleven on the faculty, with an excellent attendance.

On November 18 members of the committee attended the State Music Meeting preceding the Convention in Wilmington.

Handel's oratorio, "The Messiah", was presented by members of choirs from churches of the Association for the fourth time, with 90 in the chorus, accompanied by a small string group and organ. There were approximately 1250 in the audience.

The Regional Music Festival for Junior, Intermediate, and Youth choirs was held at Calvary Church on February 18. The majority of the choirs attending were from our association. Most of these went on to the State Festivals at Mars Hill and Wake Forest Colleges.

In addition to these general meetings, the committee furnished special music and leadership for the Annual Association meeting, and other mass meetings during the year.

The Music Committee met periodically throughout the year for planning, and to discuss how we might help to improve the quality of music in the churches of our association. We urge that each church initiate a local training program during the coming year, either with music classes or a local school of music. We hope, too, that even more of our churches will participate in the Regional and State Festivals, and will sponsor attendance at the Music Leadership weeks at our State and Southwide assemblies.

Respectfully submitted,

Carl Perry

Associational Music Director

REPORT OF COMMITTEE ON ORDINATION

Your Committee on Ordination met November 3, 1963 at the call of the First Baptist Church to examine for ordination Brother Kenneth Bryant. After hearing his testimony of his conversion, Christian life, and call to the Gospel ministry, several questions were asked as to his belief concerning the authenticity and authority of the Scriptures, the virgin birth, the atonement, the plan of salvation and the nature of the church. All answers were satisfactory to the Committee, and they commended him unanimously to the church for ordination, which was on November 10, 1963.

On July 18, the Deaverview Baptist Church requested the Committee to come with them for the purpose of examining Brother Ronald James Pinkerton, who is serving as pastor for the Calvary Baptist Church, Beaulah Association, and is currently a student at Southeastern Seminary. His testimony was heard and most favorably re-

ceived. The general questions of faith and practice for Baptist churches were asked and all satisfactorally answered. Upon unanimous vote of the group, he was commended to the church, and the ordination took place on July 19, 1964.

The Brethren of the Oakley Baptist Church requested the Committee to meet with them on July 26 to examine Brother Charles Magnet for ordination to the Gospel ministry. Brother Magnet was liscened by the Church some years ago and has done an excellent work as an evangelist. The Oak Forest Baptist Church, Carolina Association having called him as their pastor requested the church of which he is a member to proceed with the examination and ordination. The Committee requested Brother Magnet to give them a summary of his conversion, call to the ministry, and of his work in the realm of evangelism. Questions were asked as to his beliefs about the Scripture, the church and its ordinances, the virgin birth, and the plan of salvation. All of these questions being most favorably and satisfactorally answered, the Committee voted unanimously to recommend him to the church for ordination. This was done in the service that followed immediately.

CHRISTIAN ACTION LEAGUE OF N. C.

Chaplain James C. Furman of Columbia, S. C., and Nashville, Tennessee, has been elected as the Associate Director of the Christian Action League of North Carolina. He will spend his time as a representative of the League's work by speaking in high schools and churches throughout the state. Mr. Furman was elected at the Executive Committee meeting in Greensboro on Thursday, January 30, 1964.

Mr. Furman is a native of South Carolina and a graduate of Clemson College. After spending a number of years in the motion picture industry in Hollywood, New York and other cities as an advertising, publicity and public relations man, he enrolled in and three years later graduated from Southern Baptist Seminary in Louisville, Kentucky.

Chaplain Furman lived and worked in Tennessee for sixteen years as Executive Secretary of the United Tennessee League, Inc. His family resides in Nashville and will remain there. His work with the N. C. League will be on a part time basis. Mr. Furman recently completed the one year internship in the School of Pastoral Care, S. C. Baptist Hospital, Columbia. Just prior to this, he completed six weeks' training at N. C. Baptist Hospital, Winston-Salem. For eight months in 1962 Mr. Furman was Chaplain of the S. C. Alcoholic Rehabilitation Center (Palmetto Center), Florence, S. C.

In addition to his work in North Carolina, Chaplain Furman will work with a Baptist Church in Nashville, Tennessee, as counselor.

In connection with the employment of Chaplain Furman, the Christian Action League of North Carolina announces a campaign for financial support. A "1000-100 Club" effort.

The Rev. D. P. McFarland of Raleigh is Executive Director of the League. Like Chaplain Furman, he spent many years in Tennessee before moving to Raleigh in January of 1961.

1964 REPORT TO THE ASSOCIATIONS OF THE BIBLICAL RECORDER

In the modern world nothing stays around very long that doesn't have some definite purpose and mission. The BIBLICAL RECORDER, now 131 years old grows in strength and stature because its course is fixed upon the primary purpose of service to the Baptists of North Carolina.

Never has there been a day when the Christian witness was more needed in dealing with the problems of the world. The church at work in the world needs all the information and insight it can get. Our democratic form of church government is founded upon the belief that people will do the right thing when properly informed. To help Baptists fill these needs, the RECORDER seeks to do the following:

1. TO INFORM. Baptists cannot properly do until they properly know. With special attention to the interests and needs of Baptists in this state, the RECORDER staff gathers, sifts and publishes significant news from as many sources as possible. It keeps abreast of the important activities of the State Convention and its agencies and institutions. As much as possible, news from the wider circles of the Southern Baptist Convention and the entire Christian world is presented.

2. TO INTERPRET. Increasingly it is becoming necessary for responsible publications to help readers understand the meaning of events. The reasons are many. Daily the world becomes more complex and events and personalities become more entangled. Most people face such a flood of information and propaganda from every direction that it is hard to sort out the important things, set them in proper context and understand them. With the resources of full information, close contact with denominational leaders, pastors and others, plus many years of experience, the RECORDER seeks to say something about the meaning of events as well as reporting them.

3. TO INFLUENCE. Like the individual Christian, a Baptist paper has a responsibility to let its light shine in the world. A long record of service, integrity and courage has earned respect for the voice of the RECORDER both within and without the denomination. Proper use of that voice, lighted by the New Testament and conscience, is both a service and a sacred trust. Take the lead in seeing that every family in your church receives the RECORDER.

NORTH CAROLINA BAPTIST HOSPITAL

The trustees and administration of our Baptist Hospital have expressed their appreciation for the interest and concern our churches have shown in the ministry of the hospital.

This is a crucial year in the life of our hospital. It is serving more sick people than ever before in its history. At the same time, the needs continue to grow faster than its capacity to serve. For more than a year there has been an average of above 700 sick people on the waiting list for beds.

Another difficult problem is that of meeting the cost of caring for those who cannot pay for the service they need. Within our state there are many older people who live on meager Social Security or Old Age Assistance income, families whose savings and sometimes their ability to earn have been wiped out by long and serious illness,

and great numbers who cannot rise above the poverty line. All who come must pay for their medical care in so far as they can, but there are great numbers who simply cannot pay the full cost. Our hospital tries to get all the help it can for these persons from welfare and health agencies, but these agencies do not pay the total cost and many persons are not eligible for such assistance.

The hospital receives a share of our Cooperative Program money, which helps to support the Department of Pastoral Care and provide equipment and facilities required in the work of the hospital; but the Mother's Day Fund provided by our churches is the only means the hospital has of bridging a wide gap between the funds available and the cost of caring for those who cannot pay for their medical service.

Our hospital and medical school are beginning a large development program greatly to increase the capacity of our Medical Center to care for our sick people and to train additional doctors, nurses, and other personnel to serve in our communities, or our mission fields, and wherever these trained persons are so badly needed. The people of the Winston-Salem area have expressed their confidence in our Medical Center by pledging more than seven million dollars to this enlargement program. Our great concern is that, when our hospital has increased its capacity to meet our specialized medical needs, will our churches provide the money to take care of those who need these services but cannot pay for them.

BAPTIST CHILDREN'S HOMES

Since the establishment of Mills Home at Thomasville in 1885 Baptist work in the field of child care has continued to grow. During the years ministries have been extended to more than 8,000 boys and girls in their formative years.

At the present time there are four homes: Mills Home at Thomasville, Kennedy Home at Kinston, Odum Home at Pembroke, and the I. G. Greer Home at Chapel Hill. These homes through their facilities and personnel, are ministering to more than a 1,000 children directly or indirectly. There are 574 in the institutions, 171 in foster homes, 20 cared for through mother's aid and 90 receive case work supervision. In addition case workers aid in placing others with their relatives or in other social service institutions.

Food, clothing, shelter are necessities given every child in the Baptist Children's Homes. They receive carefully planned, well balanced and nourishing meals. They have a comfortable and attractive place in which to live with care and respect to each child's personality.

Of greater importance than material things is the genuine interest, concern and love given every child by Christian men and women on the staff. Many children who have known only heart break and tragedy learn to love again—learn to trust in themselves, in adults and in God. They find a measure of self-confidence and individual dignity because the Homes operate on the conviction that every child is precious in the sight of God.

Support for the Homes comes through the Cooperative Program, through the Thanksgiving offering and through special gifts. Last year the support came as follows:

Cooperative Program	33 per cent
Thanksgiving offering	30 per cent
Once-a-Month offerings	16 per cent
All others	21 per cent

Seventy six of the churches of our Association gave designated through the Thanksgiving offering or otherwise the sum of $10,723.00. This would indicate the 16 churches did not contribute directly to their support.

Most North Carolina Baptists are well acquainted with Charity and Children, official publication of the Baptist Children's Homes. This newspaper is published once each week, more than half the Baptist churches in the state receive it in bundles, and it goes to more than 55,000 subscribers. The subscription price, in bundles to the churches, is sixty cents per year. Lead your church to prescribe so that the families in your church may be better informed relative to the work of North Carolina Baptists, and their program of child care.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

1964 ASSOCIATIONAL REPORT

Our Baptist Homes have just completed their 13th year of operation and are entering into the 14th year with eager anticipation and with much enthusiasm. God has blessed these brief years with an abundance of His love and with the good things of life. Growth has been rapid, the development of facilities amazing, and the additional space staggering. We have come from 1 resident and 1 building, since March of 1951 to 160 residents and 4 buildings in 1964. Today there are 170 people waiting for admission. There are hundreds of inquiries during any given year from aging persons who are sick, for whom we cannot care because of lack of bed patient space. We must give an answer to these good people and begin now making plans for a nursing facility that will be large enough to receive some of these who are sick, or invalids, at admission.

The choicest bit of news for 1964 is the development of a 5th Baptist Home to be located at Yanceyville, North Carolina. We are hoping to begin construction on this new project during this year, and thus, the burden of our hearts will have been relieved, in a measure, by being able to care for 30 additional residents. The Home at Yanceyville is the greatest single bequest that has ever been left for us in our ministry. Enough land at Yanceyville and money were given to the Baptist Foundation of North Carolina for us, by the late R. Sterling Graves and his sister Mrs. Sallie Willie Graves Bradsher, to build and equip the Home there. Even so, we will still need to look to our Baptist people for the maintenance of this Home and for assistance in supplementing needy residents who will live there through the years.

Today North Carolina Baptists are contributing an average of $90.00 a month on the cost of care of 90% of the residents who live in our four Baptist Homes at Resthaven and the Hayes Home in Winston-Salem, at the Albemarle Home and Hamilton Home. This support comes through the Special Day Offerings, received in the churches on the third Sunday of February each year, through designated gifts from church budgets, and through the Homes' share in the Cooperative Program. These needy residents could not possibly be with us, nor could they receive the loving care that they do, if it were not for the gifts from our 3500 Baptist churches. Earnest heed should be given by each church, therefore, towards increasing the amount of Special Day Offerings and designated gifts to the Homes. This should be emphasized especially in view of the fact that there

was a 5% decline in gifts to the Homes during 1963. We will not have an accounting on gifts for 1964 until September, but we can only hope that there will be considerable increase.

Life among the residents these days is most interesting and filled with a variety of experiences. The youngest resident celebrated her 66th birthday in January, and the oldest her 103rd birthday in July. Some are doing creative writing, others sewing, gardening, teaching painting, and living a good life in general. All are praying for a world and its needs. All are expressing thanksgiving to God for the people called, "Baptists," and for the happiness and security of the Homes that our Baptist people are helping to make possible for them.

There is nothing to prevent our receiving any needy aging person, 65 years old and above, who is reasonably well, mentally and physically, except lack of space. Let us join our hearts in prayer and our lives in dedication that we may give a good account of our stewardship in this great area of human concern and give an answer to as many of these dear people as possible.

AMERICAN BIBLE SOCIETY

Bible Societies are organizations whose main work is assisting in the faithful translation of the Scriptures, publishing them in convenient forms and distributing them, without profit to people who need them and might otherwise not get them, and in whatever language is required. The American Bible Society is the principal agency of the churches of the United States in these aspects of their missionary work.

The first of the world-wide Bible Societies was the British and Foreign Bible Society established in England in 1804. The American Bible Society was established in 1816, and they plan for their 150th Anniversary in 1966 at which time they will launch an advance program to be known as a World Opportunity Fund.

The average annual circulation is over 12,000,000 volumes. They work in more than 40 countries and annually distribute Scriptures in these countries in more than 100 different languages. The budget for 1963 was over 5 million.

Since 1835 the American Bible Society has been supplying embossed Scriptures for the blind. A Braille Bible requires 20 volumes. These books are furnished to the blind at 25¢ a volume, although costing many times that amount.

The American Bible Society has as its single purpose the encouragement of the wider circulation of the Holy Scriptures without note or comment and without profit, to every person on earth in whatever language he may require. It is a voluntary organization, supported by many individuals and denominations.

The program is fourfold: translation, publication, distribution and stimulation of use of the Bible. Our Missionaries depend on the Society for Scriptures they need for their people. Your gifts can help in this great work. Send them to the Baptist State Convention in Raleigh marked for the American Bible Society.

A Congolese boy wrote: "I have a great pleasure to write this letter to you — because I want one Book too necessary for me. The Book is the Bible".

N. C. BAPTIST FOUNDATION, INC.

In the widest sense Stewardship "is the maximum use of one's life for the glory of God and the good of mankind." The North Carolina Baptist Foundation, Inc., encourages the Stewardship of Current Income in systematic and proportionate giving from current income. The Foundation also encourages the Stewardship of Accumulated Possessions by single block giving at infrequent intervals from accumulated income during one's lifetime and/or at one's death. You will note that the Baptists have put the major emphasis on the Stewardship of Current Income. The Baptist Foundation seeks to put a stronger emphasis on the Stewardship of Accumulated Income such as: (1) by living trust, (2) by gift annuity, and (3) by bequests in wills.

The Foundation also serves by meeting with you and your attorney upon your request in connection with preparation of legal documents where the Baptist Foundation is to be involved. The Foundation offers services to individual churches, associations, and to all of our Baptist agencies and institutions.

We have been emphasizing the making of Christian wills. We have two films, "God's Will Through Yours" and "Treasures In Heaven," on Christian will making, which are available to any organization upon request.

Executive Secretary

ANNUITY BOARD

or the

SOUTHERN BAPTIST CONVENTION

The Annuity Board is the agency of the Southern Baptist Convention that handles the ministerial retirement funds. Today there are more than 16,000 churches in this program. Over 4,000 of these pay both pastor and churches part. Every week the number is increasing.

In the Buncombe Association there are 42 churches participating out of the 90. Less than 60% or half of our 90 pastors participate. I would like to appeal to the deacons, brotherhoods and WMUs in each church to encourage your church to participate in this protection plan.

Why should your church pay the total cost in providing this protection?

1. It assures all preachers and their families of this future security.
2. It protects the church in case of the pastor's disability, death or retirement.
3. It gives assurance to the pastor and his family in case of disability, sickness or death.

The value of your pastor's spiritual comfort and moral guidance is more than you can hope to repay, but by providing for his financial security you can fulfill your obligation in the area he would most appreciate. Many of our pastors do not receive large salaries and the churches full participation for them would be greatly appreciated. The entire cost to your church cannot be more than $400.00 a year. The cost is 15% and the State Convention pays 5%.

More than 43½ million has been paid in relief and annuity benefits by the Annuity Board since its beginning in 1918. Last year these benefits were more than 3½ million.

NEW "LIFE BENEFIT PLAN" IS OFFERED TO CHURCH AND DENOMINATIONAL EMPLOYEES. The Board is currently in a campaign to enlist the 3,000 members needed to put the Life Benefit Plan into effect, and hopes to have it in operation by Oct. 1.

The new Plan provides low cost life protection to members while in active service, during disability or in actual age retirement. Cost is only 1% of the annual salary basis, with minimum basis of participation set at $4,000 and maximum at $12,000. Minimum payments will be $3.34 a month and maximum payments, $10.00.

Benefits Are Large — The widow or beneficiary of a member 45 or under will receive 2½ times his salary basis of participation in the event of his death. Thus the widow of a man 44 years of age who was paying on a $12,000 salary basis would receive $30,000. If death was accidental her benefit would be twice this, $60,000. After the member passes 45, benefits are scaled downward by 1/10th of a percent each year as he gets older. At the age of 65, the member who joined during the first year of eligibility and paid at least 10 years continuously prior to retirement will have a paid up benefit of $1,000, or an amount equal to total contributions, if less than $1,000. In case of total and presumably permanent disability, the member's payments are waived, but coverage continues.

The Annuity Secretary for North Carolina is Guy Cain, 301 Hillsboro Street, Raleigh, N. C. It will be a great joy to any pastor when he is disabled or comes to age of retirement to know he will get a check the first of every month from the Annuity Board to help with his expenses. PASTORS, why not send in your application today?

Respectfully,
B. S. Hensley for the committee

CHRISTIAN EDUCATION REPORT

Ahead of Christian higher education lie the greatest challenges it has ever faced. The influx of more and more young people desiring a college education, the break down of morals, and the confused world in which we live, all point to the need of a Christ centered education for the youth of our land.

Baptists have led out in the fight for freedom, and for democracy. Whenever these have been threatened, they have risen to their defense. Without Christian leadership, our freedom and democracy will be threatened and possibly doomed. Such leadership requires education of a high Christian caliber.

It is the responsibility of the Baptists of North Carolina to provide adequate facilities and opportunities for the education of today's youth. To whom much is given much is required, Luke 12:48.

Thus it is imperative that we support our colleges in the following ways:

1. That we lift up and pray for the teachers and administrators of our schools.
2. That we support these colleges financially through
   (a) the Cooperative Program
   (b) the alumni organizations
   (c) scholarships
   (d) remembering them in our wills
3. That we strive to keep both the educational and spiritual standards on the highest level possible.
4. That we encourage the youth from our churches to attend our Baptist colleges.
5. That our churches either include the Christian Education day offering in June — in their budgets, or take up a special offering at that time.

Baptists cannot long remain in the forefront of today's battle against atheism and materialism unless we have Spirit filled, well trained leaders.

It is of the utmost importance that in these perilous days, days alive with possibilities of great spiritual growth, that we pray for and support, in a more dedicated way, our institutions of higher learning.

Respectfully submitted,
James H. Ballard, Chairman
Committee on Christian Education

SEMINARY EXTENSION REPORT

The purpose of the Seminary Extension Department is to educate and train leaders who cannot attend a college or seminary or . . . . . to further the education of those who have attended. Thousands of church leaders desire and need additional training. Some have turned to radio and television preachers for help; others have turned to the non-denominational schools. In the seminary extension program laymen and women benefit and make up more than 50% of the enrollment of most of the centers.

Through the Seminary Extension Department you now can receive the finest seminary training right in your own community. Jointly sponsored by all the Southern Baptist Seminaries and directed by the Extension Department, the program is planned to develop leadership, provide instruction in Bible doctrines, counseling, religious education, and many other subjects.

We were fortunate last fall in having two classes which continued for twelve weeks. The school was held in the First Baptist Church. The two courses taught simultaneously were New Testament and Religious Education. Rev. Wm. Snyder, pastor of Beverly Hills Church, taught New Testament 112 and Mr. Jim Smithwick, Educational Director of Calvary Church, taught Religious Education 115. Eight persons completed the New Testament course and one completed the Religious Education.

We greatly appreciate the services of Rev. M. D. Smith, pastor of Hominy Church, wo served as the Director of our Center, and that of Rev. James Ballard, pastor of Morningside Church, who was our registrar. The work of the advisory committee was a great help also. The committee was composed of Rev. John Grant, pastor of Biltmore Church; Rev. John Ralph Willis, pastor at Oakley, and Rev. Wm. A. Snyder, pastor of Beverly Hills Church.

James Parham, Chairman

HISTORIAN REPORT

The study of the 81 letters reported to date by the churches of our Association has been most interesting and has revealed many things as to their progress or lack of it. True there are many things for which we should give thanks but other things which should cause us great concern. When we note churches with large number of baptisms and worthy gifts to our mission causes, we rejoice with them but some still report not a single baptism and no gift to our great cooperative program.

Several of our churches called new pastors during the year:

First Baptist of Asheville called Dr. Cecil E. Sherman
Bee Tree Church called Rev. Clifton Newcomb
Buena Vista called Rev. Eugene Goodman to begin Sept. 1
Christian Creek called Rev. C. J. DuVall
Buckeye called Rev. Jack Norris
Liberty called Rev. Charles F. Cobb
Mt. Pisgah called Rev. W. M. Belcher
Pole Creek called Rev. Milford Boyce
Reed Memorial called Rev. Donald Angel as Associate Pastor
Wilkey Church called Rev. F. W. Vess
Brown's Chapel called Rev. Ransom Edwards

About 40% of the churches reporting, state that they have spent money during the associational year for new construction or property which certainly denotes progress.

Arden Church held their first service in their new building this past June. Vance Avenue Church in Black Mountain reports purchase of a new piano and also state that their parking lot will soon be paid for. Grove Stone Church reports a new church building and Sunday school building started which will cost about $50,000.00. Jupiter Church reports that their auditorium has been plastered and the woodwork around the windows and doors has been finished. Skyland reports a new baptistry has been installed. Trinity Church reports 3 new class rooms completed, nursery moved to better location, rest rooms installed and work being done on the church grounds. Weaverville Church reports a new educational building being built. West Asheville Church has remodeled their parsonage and also built a new home for their associate pastor. Hominy built a new parsonage and renovated old parsonage for minister of music and education.

We note with pleasure that several ministers have been licensed and ordained during the past year. We certainly are blessed with having more than 100 ministers besides our pastors in our churches. Their help and influence should mean much to our work.

About 75% of our churches own their parsonage and others are planning to. Most of our churches are participating in the Annuity Board Protection Program for their pastors but a large number are still failing to recognize this most worthy cause. It is also noted that about 50% of our churches do not yet have a library which would help in their educational program. About 25 of our churches report that they had no indebtedness at the end of the associational year. We trust they have all the necessary property, buildings and equipment necessary for their work. Only a small number of our churches reported a mission of any kind, but Fairview Church reports a mission in Blackfoot, Idaho. They certainly need to be commended for this. Beverly Hills Church reports a special class for Retarded Children. We trust other churches will follow their example. Yes, the Buncombe Baptist Association is making history in their churches, but I'm sure greater history will be made.

John L. Lawrence, Historian

MISSIONARY'S REPORT

As we come to give our annual report to the Association, we find more of our churches cooperating in the total program and more are giving to missions. We have had Vacation Bible Schools in 83 of our churches and 3 missions. We have held schools in 6 Negro churches and assisted in 16 other Negro churches outside our county. Douglas West and David Fore, ministerial students from Mars Hill College have assisted us in the work.

A city and county religious survey was made using over 3,000 people, followed by an evangelistic crusade at the city auditorium.

During the spring most of our churches entered into a simultaneous revival, with an early prayer breakfast each morning. Radio Station WWNC and WFGW carried evangelistic messages during the weeks of revival.

A Sunday School has been organized at the Craggy Prison Camp with two classes and four teachers. The Brotherhood of the Association is sponsoring this work.

This has truly been a busy year. The Lord has helped us as we have sought His Divine leadership each step of the way. We thank you for your great spirit of cooperation and for every prayer on our behalf. The following is a brief report of your Missionaries activities:

Travelled — 34,000 miles
Sermons preached — 88
Revivals — 2
Conferences attended — 23
Attended: Southern Baptist Convention Home Missions Conference, Ridgecrest
Washington, D. C.
Study courses taught — 3
Taught book of Ephesians in — 6 churches
Directed County-City Census
Directed VBS Clinics — 3
VBS held — 2
Committee meetings — 32

As we study our reports from the churches (89 in), we find an increase in Sunday School and Training Union, but not enough. The number of Baptisms is about the same as last year. We also find a good increase in our gifts through the Cooperative Program and in the special offerings.

Let us not rest on our laurels, but turn our face toward our needy lost world and follow in His train who gave all.

Respectfully submitted,
E. V. Plemmons,

Associational Missionary

SUNDAY SCHOOL REPORT TO THE ASSOCIATION, 1964

The Sunday Schools of our churches have been assigned the tasks of outreach, teaching the Bible, leading all church members to worship and witness daily, providing opportunities to perform the personal ministries of the church, furnishing workers for various projects, and interpreting the work of the church and denomination.

Southern Baptist Sunday Schools are seeking to enroll 10,000,000 by 1970. We in Buncombe County Association are asked to share in this advance. A goal of 30% advance has been set in order to reach the 10,000,000. We are challenged with a 2% enrollment advance in 1965 with an added percent increase each year through 1970. Dr. Arthur Flake provides an answer for us as to how we can reach these spiritually hungry souls with his formula of years ago. Here are the points he suggested: locate the prospects, enlarge the organization, provide needed space, enlist and train workers, and visit the people.

Your Sunday School Associational Officers are planning to help you accomplish the tasks and present to you the challenge and the methods for reaching people for Bible study. Provision is made for every age group in our conferences. We especially urge you to attend the Associational Sunday School Meetings this coming year. With carefully planned programs, interesting speakers, and helpful conferences and fellowship, these Meetings can help us greatly in our work. They cannot help, however, if you do not come.

We began this Sunday School year with the association-wide census information in hand. This was followed by the Lane Adams Campaign which was attended by so many of our people. The year progressed with varying response to associational meetings and meetings outside our association. Similar indispensable helps are available for us in the coming year.

Our Vacation Bible School record is considerably better this year than last year. We had three fine clinics, two for the churches of our association, and one for Negro churches, in April and May. A total of 332 attended the meetings provided for our association, and 59 attended the Negro clinic. Following are some of the highlights of our Vacation Bible Schools this year:

Number of schools:	83 in the churches 3 in the missions
Enrolled:	9,420
Standard Schools	9

The great commission of our Lord is just as relevant in our generation as it was when it was spoken by our Lord. May we follow Him this year in the command He gave us: "Go and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; teaching them to observe all things. . . ."

Respectfully submitted,

Jim Smithwick

REPORTS

COOPERATIVE PROGRAM

With the dawning of the 40th anniversary of the founding of the Cooperative Program, a new note of optimism and Missionary Advance is perceptible among Baptists!

It is now a well-accepted fact that the Cooperative Program of World Missions is the foundation for our total missionary endeavor — that of preaching, teaching, and healing in the name of Christ at home and abroad.

Even as we presently support the work of 2,000 foreign missionaries, 2,500 home missionaries, and more than 100 missionaries in North Carolina, Dr. Baker James Cauthen, Secretary of the Southern Baptist Convention, Foreign Mission Board, has challenged us to send out 3,000 foreign missionaries in the years immediately ahead! This will mean great sacrifice and greatly increased giving on the part of Baptists everywhere! "The Cooperative Program has given significant support to every state and Conventionwide cause — during the last sixteen years it has provided more than $1,000,000 for the Foreign Mission program of Southern Baptists. Truly, it IS the 'life-line' of our total cooperative witness and service."

We are witnessing our greatest advance in history with 52.27 per cent of the southwide Cooperative Program dollar being allocated to Foreign Missions.

We are advancing in our concern for a lost world — more than 1300 Baptist churches have set goals as a part of the Conventionwide emphasis to enlist 2,000,000 tithers by October, 1966. A free "Planning Kit" for tither enlistment is available from our state office for every church or pastor adopting a definite goal.

According to available records Buncombe Baptist Association during the past year gave a total of $254,096 through the Cooperative

Program. 25 churches did not share in world missions through the Cooperative Program. Let us determine NOW to be faithful in worship with tithes and offerings and share regularly through the Cooperative Program.

RECOMMENDATIONS

We recommend:

1. That the churches participate in the TITHE . . . NOW! Emphasis.
2. That we engage regularly in prayer for cooperative causes and give special emphasis to prayer for these causes during the Cooperative Program Emphasis.
3. That every church plan a Stewardship program in Sunday School Assembly at a time suitable to the local church.
4. That the churches give regularly through the Cooperative Program.

Respectfully,

Charles W. Smith

LIBRARY REPORT

Libraries are being established rapidly throughout the Southern Baptist Convention, and this is the time to get in on the ground floor because of the generous FREE BOOK offer to the churches that do have libraries.

Many associations are starting library organizations to help promote library work in their respective associations as well as helping individual churches and in so doing we are helping ourselves. We now have half of the churches in Buncombe Association with libraries.

North Carolina was the second state to organize a State Library Convention which meets once a year with some church in the state. In 1964 this meeting was held on the Battleship North Carolina with the Winterpark Church, Wilmington, as host church. This year the meeting was at the Ardmore Church, Winston-Salem, as host church.

Each year there is a week of special library emphasis at Ridgecrest (this year August 26-September 1) with many hundreds librarians from all over the south in attendance.

In November this year there will be a library work shop held in the First Baptist Church for all librarians and library workers throughout Western North Carolina November 23rd.

Ministers and educational directors attend seminaries to prepare themselves for their work, so librarians should attend all library meetings to prepare themselves for their work and any church that will make it possible for their librarians to take advantage of these meetings will find that it is money well spent.

Buncombe Association has been blessed with many new and revitalized libraries during the past year. Some months ago your Associational Librarian offered to give the five books to qualify any church to receive the 15 FREE books from the Sunday School Board, provided they would vote to start a library, elect a librarian, make room for a library in their church. This offer still holds good until September 1st, 1965. The library officers will also help you set up your library if this service is desired.

God does not need people who are perfect. He needs people who are willing.

Respectfully submitted,

M. H. Cox

THE LIFE BENEFIT PLAN

The Life Benefit Plan was inaugurated on October 1, 1964 to meet the need for supplemental life protection for our pastors and denominational employees, and has already achieved phenominal success with more than ten thousand active participants. It affords protection ranging from ten to thirty thousand dollars for death under age 46 with graduated benefits thereafter for dues of $3.34 to $10.00 per month. It is still open for membership.

THE HEALTH BENEFIT PLAN

The health benefit plan is an all-inclusive program of hospital, surgical and major-medical protection which is now being offered. The target date for the beginning of this plan is October 1, 1965. Five thousand applications are required by September 1 in order to put this program into effect.

BENEFITS PAID — "MANNA FROM HEAVEN"

It has been said by many annuitants that the checks which came from the Annuity Board each month are like "Manna from Heaven". These checks vary in size, depending upon the length of time one was a member and the amount of dues paid.

Since the beginning of the Annuity Board in 1918, almost 47 million dollars have been paid in relief and annuity benefits to the men and women of God who serve Southern Baptists. In 1964 alone, 3½ million was paid out to ministers and denominational workers or their families.

MEMBERS IN ANNUITY BOARD PLANS

Today more than 16,352 churches are in the Protection Program

for their pastors. Approximately 10,000 of these churches are paying the total of 10 per cent dues.

There are now 127 of the 176 educational institutions, hospitals, children's homes, homes for the aged and other southwide agencies protected by one of the Annuity Board programs. This means more than 25,000 members are in the Annuity Board's retirement plans.

There are seven states with 10 per cent or more of the churches in the plan. At the present time North Carolina has 46 per cent of the churches in the Protection Program for ministers.

ANNUITY BOARD SECRETARY

Rev. Guy Cain is jointly employed by the North Carolina Baptist Convention and the Annuity Board. He promotes the Board's total program of protection by trying to enlist all pastors, churches and denominational employees who are not enrolled in the program in North Carolina. He works to help those who are in the program to better understand the protection they have. For further information, write the Annuity Board, 511 North Akard, Dallas, Texas 75201, or Rev. Guy Cain, 301 Hillsboro Street, Raleigh, North Carolina 27600.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

The day that North Carolina Baptists launched a ministry to the aging fourteen years ago was a good day indeed. Since that time four Homes for the Aging have come into being, and a fifth one is in the making. Many elderly people have been blessed by this compassionate ministry through the years, and today 160 people are in residency at Resthaven, and the Hayes Home in Winston-Salem, the Albemarle Home in Albemarle, and the Hamilton Home in Hamilton. When the proposed new Home at Yanceyville is completed, there will be capacity for 200. It is anticipated that construction will begin on the Yanceyville Home during 1965.

This labor of Christian love and nurture is ours together, and we could not operate without the concern, the prayers, and the financial support of our Baptist people. This financial aid from the churches comes to us through two very vital avenues — the Special Day Offering, received on the third Sunday of February each year, and the Cooperative Program. Special Day Offering receipts for 1964 were at an all-time high and exceeded $96,000.00. Through these gifts we were able to supplement from 80 percent to 90 percent of our needy residents who could not be with us otherwise.

It is urgently hoped that the Special Day Offering for 1965 will be the greatest ever, especially in view of the pressing and ever-increasing needs of the aging in our midst who seek our help. The waiting list now is 175 and grows almost daily.

As the great heart of the Saviour yearns for all in the various areas of human need, we are grateful that He has commissioned us to include also a special ministry to the aged among us. We have responded to His plea, we are giving an answer to Him for these elderly people who are very dear to Him, and we pray that every church in our State Baptist Convention will be very careful to give

increasing emphasis to this vital ministry.

REPORT ON BAPTIST HOSPITAL

More than 35,000 sick people were seen in the clinics of our Baptist Medical Center in Winston-Salem last year, and more than 19,000 were hospitalized for bed care. These sick people came from all sections of our state, out of all kinds of financial circumstances, and with almost every type of serious disease and sickness known to men. Most of them were sent by their local doctors, because they had problems which were difficult of diagnosis or treatment, and needed specialized facilities and skills such as those found at our Baptist Hospital.

In addition to the sick people who were served, there were more than 700 persons in training in the various fields of medical care and Christian service. These students were studying in ten different schools, and in other fields of training in our Medical Center, and will go out to serve as physicians, nurses, technicians, pastors and other Christian workers, in our communities and churches throughout North Carolina and on our mission fields around the world. These schools offer excellent opportunities, and they are interested in qualified Baptist young people who wish to invest their lives in useful service to their fellow man and in the Kingdom of God.

The ministry of our hospital to people who are seriously ill and in meager circumstances lies at the very heart of its total work. All of our Mother's Day offerings are used for this purpose: when the doctors have given their skilled services without charge to these patients, and the money available from all other sources is added, every dollar we give is multiplied nine times over in free service to those who need help.

It is a high privilege for us in our churches to minister in the name of the Great Physician, through our hospital, to these multitudes who are sick. It will be a welcome voice when the King shall come in His glory and we can hear Him say: "Come, ye blessed of my Father; for I was sick, and ye visited me."

HISTORIAN REPORT

Another year has passed and history indeed has been made by the churches of our Buncombe Baptist Association. Our hearts are made glad when we note the large number of baptisms, worthy contributions to our Cooperative Program and other worthy mission causes. We regret that a few of our churches did not report a single baptism and some have not yet caught a vision of our great Cooperative Program for supporting our vast mission program. However, I'm sure that all of our churches support missions in one way or

another.

Only 76 letters were available for this report so perhaps some items of interest will not be included. A large number of our churches are, or have been in an expansion program in building or improving their buildings and property. Many new buildings have been com pleted and dedicated for which we are thankful. Others have paid off their church indebtedness. 32 of our churches reported that all indebtedness had been paid — some have had note burning and dedication services this past year.

Let us look at a few of the things that has taken place during the past year: Arden Church completed and dedicated their new building; Beaverdam also held a dedication service for their new building, Buckeye completed their bond program and purchased land for new building; Chestnut Hill refinished inside of church building; Cumberland Avenue improved their parking area with gravel and cement; Deaverview purchased additional property; Enka dedicated their new educational building; First Church Black Mountain purchased a home for Minister of Music and Education; they also printed and presented to the congregation the history of their church on its 60th anniversary, June 6th, 1965. Buena Vista Church added a church steeple; Grove Stone Church entered new building on new site; Jupiter Church refinished floors and installed new pews; Morningside completed and dedicated new educational building; Mt. Carmel razed old building and started new $100,000 sanctuary, new educational building has been completed; First Church Swannanoa is moving forward in a building program; Vance Avenue finished paying for their parking lot and new piano; Weaverville Church completed their new educational building; White Rock opened their new library; West Asheville, having paid off their church indebtedness, held a note burning and dedication service June 6th, 1965; Zion Hill completed their parsonage and pastor has moved in.

We are thankful that only a few of our churches are without pastors at this time. However we have had a number of new pastors in our association during the past year: Rev. Thad R. Dowdle has come to Bent Creek, Rev. F. Daniel Stephenson to Bingham Heights, Rev. R. M. Snyder to Beuna Vista, Rev. Kenneth Brown to Kerlee, Rev. W. L. Pearson to Long Shoals, Rev. Furman Harvey to Mountain View, Rev. Charles R. Lemley to Morningside, Rev. J. R. Collins to New Morgan Hill, Rev. Hubert Clayton to New Salem, Rev. Luther Osment to Reed Memorial, Rev. Fred Fore to Ridgeway, Rev. John G. Hicks to Westwood and Rev. Guy C. Jenkins to Wilkey.

Another thing that is most commendable in our program is the number of tithers reported by our churches. The Arden church certainly has a splendid record-170 tithers of a membership of 302. They also reported 23 baptisms. Other churches with record baptisms in ratio to their membership are New Salem, Pine Burr Park, Trinity and Skyland. Several of our churches reported 30 percent or more of their members to be tithers.

Truly we thank the Lord for all that has been accomplished by our churches during the associational year, but like Paul, we should press forward to do more for the advancement of His Kingdom and to His Glory.

N. C. BAPTIST FOUNDATION

In the widest sense Stewardship "is the maximum use of one's life for the glory of God and the good of mankind." The North Carolina Baptist Foundation, Inc., encourages the Stewardship of current income in systematic and proportionate giving from current income. The Foudation also encourages the Stewardship of Accumulated Possessions by single block giving at infrequent intervals from accumulated income during one's lifetime and/or at one's death. You will note that the Baptists have put the major emphasis on the Stewardship of Current Income. The Baptist Foundation seeks to put a stronger emphasis on the Stewardship of Accumulated Income. There are many ways that the Foundation assists a person in making his gifts through accumulated income such as: (1) by living trust, (2) by gift annuity, and (3) by bequests in wills.

The Foundation also serves by meeting with you and your attorney upon your request in connection with preparation of legal documents where the Baptist Foundation is to be involved. The Foundation offers service to individual churches, associations, and to all of our Baptist agencies and institutions.

We have been emphasizing the making of Christian wills. We have two films, "God's Will Through Yours" and "Treasurers In Heaven", on Christian will making, which are available to any organization upon request.

C. Gordon Maddrey
Executive Secretary

BAPTIST CHILDREN'S HOMES

The care of dependent, neglected and homeless children is the central mission of the Baptist Children's Homes of North Carolina. In addition to providing care for children it is the purpose of the Homes to join hands with other Christian forces to strengthen wholesome, Christian family life throughout the state. Our people have supported this ministry in a most generous and commendable way.

Our Homes are serving as many people who need our help as possible. They are dependent upon North Carolina Baptists for support. Every gift, however small or large, is appreciated and is used for the purpose for which it is given. Income through the Cooperative Program is becoming increasingly important.

The Thanksgiving Offering of last year is approaching three hundred ten thousand dollars ($310,000.00) and is the largest ever given. This suggests that our people welcome an opportunity to support the "helping ministries" of the church which are close to the heart of our Lord.

Two estates have made possible two very fine buildings which have just been completed on the Mills Home campus. Income from the estate of Mr. and Mrs. Leland J. Sadler of Anderson, South Carolina, was used to build a library. An addition to the church was financed from the estate of Robert W. Idol and Lela Idol of Winston-Salem. These buildings will fill a most useful purpose in the educational and religious life of the Mills Home family.

There is a growing need for good Christian foster homes in which children needing this kind of care can live. Many families are finding much happiness and a great opportunity for service in caring for foster children. Thus, many boys and girls are privileged to grow up in Chistian homes who otherwise would not have this opportunity. Should you have an "extra measure of love" to share in this way the Homes would like to know of your interest.

The need for a home in the western part of the state, more adequately to serve the people west of the Blue Ridge Mountains, has been discussed in various meetings and conferences. The possibility of such a home is meeting with genuine interest and ethusiasm. Attention is currently being given to a suitable location.

Members of the Board of Trustees and members of the staff of the Children's Homes are committed to the task of maintaining a Christian homes who otherwise would not have this opportunity. undivided support and loyalty of our people and that will bring honor to our Lord. To that end it is our purpose to meet, as effectively as possible, the challenges of our day.

EVANGELISM

The theme adopted by the Southern Baptist Convention for the year 1966 is "Proclamation and Witness".

Now the question is, are we going to put forth every effort to carry out this theme?

The evangelistic thrust needed now waits not on new methods but on new men. Men and women who have been made new in Christ Jesus and are totally committed and surrendered to Jesus Christ in mind, body and soul.

The people are here, the task lies before us. What will we do during 1966 about proclaiming and witnessing in Buncombe County? Let us be busy telling the "good news" about our Christ.

M. H. Jamison, Chairman

BROTHEHOOD REPORT

The door of opportunity to serve God and witness to His saving power is excellent through our men's work. The effectiveness with which it is carried out is dependent largely on the leadership of the Brotherhoods in the local churches.

New Brotherhoods have been started at Buena Vista, Long Shoals, and Macedonia. For more than a year our Prison work has very effectively been carried on. We have two Sunday School classes meeting each Sunday morning at 9:30 in the Craggy Camp. A number of the men have made professions of faith in our Lord Jesus and give bright testimonies. Their families have also been visited and helped.

There was a good Brotherhood Workshop conducted at Calvary Church last fall with the help of our State Officers: Mr. Clyde Davis, Rev. Dewey Hobbs, and Mr. and Mrs. Bill Mitchiner.

Our State Brotherhood work is being greatly benefited by Camp CaRAway. The camp is a beautiful wooded area of more than 1,000 acres, and it is all paid for now. The Baptist State Convention has allotted $150,000.00 for the development of the camp; Brother Bill Jackson is now devoting full time to Royal Ambassador work. When the work is completed, Camp CaRAway will be one of the outstanding boy's camps in America. One of the areas with a lake will be set aside for family camping, all under strict Christian supervision, and vesper services will be conducted every night.

Praise God! We have a wonderful Lord, and we will too be singing His praises throughout the ages,—why not start right NOW?

Bert Starnes,
Brotherhood President

WOMAN'S MISSIONARY UNION

Each officer and promotional chairman of the associational WMU participated in the Leadership clinic at the Calvary Church, October 30. Leading two new conferences were Mrs. Paul W. Jones and Mrs. J. O. Rowe for the Circle chairman and program chairman respectively. More than 200 local leaders attended this meeting to become better trained for their work. Both afternoon and evening sessions were prefaced by the inspirational message brought by Mrs. W. A. Mitchiner, our "world missionary" of Oxford, N. C.

The next quarterly WMU night, January 18 was greatly enjoyed because Mrs. Charles Cowherd, Hong Kong, was our charming speaker.

During the Central Training School in February the Leadership courses were taught by Mrs. Charles Cohn — Sunbeam leaders, Mrs. Lynn Buckner — GA, Mrs. I. V. Couch — YWA, and Mrs. A. T. Usher — WMS, Mrs. Luther Brewer, Mrs. Bill Bumgarner, Mrs. Charles E. Waldrop, and Mrs. Wm. T. Hedge assisted in teaching the WMS course.

Attending the State WMU Convention in Greensboro, along with fourteen others representing eight churches of Buncombe Association, were Mrs. Couch, Mrs. Buckner, and Mrs. Usher. At that time Mrs. Buckner and Mrs. Usher were elected to serve on the State Executive Board for a three year term. Mrs. Usher also attended the Convention-wide WMU meeting in Dallas.

Our annual meeting was held at the Ridgeway Church with an attendance of 231. The theme "Sing Unto Him Among the Nations" was well carried out. The pastor, Rev. Fred Fore, and the women of that church did a fine job of being hostess. Mrs. Claude Stamey, Jr., of Ridgeway is President of the only honor WMS in the Association. Other organizations attaining some status on the aims were recognized and publicity was given in the Asheville papers. The message of both Rev. and Mrs. Bill Roberson, veteran missionaries to Viet Nam, were received with prayerful interest and appreciation. A most appropriate and loving tribute to Miss Vonnie S. Lance, late president and vice president of the Associational WMU, was read by Mrs. Horace W. Smith. An offering of $100 was given in memory of Miss Lance. An additional $100 was taken from the WMU treasury and sent to the Foreign Mission Board to be used for a two hundred dollar scholarship in the Seminary at Ruschlikon, Switzerland.

During the summer months the WMU has assisted in the Negro VBS work, contributing $100 toward the salary of Brenda Reynolds.

The GA Associational Council was organized in April and an inspirational rally was held May 11 at the Grace Church. The YWA Council has met quarterly as has the WMU Executive Board.

In April the WMU joined the Brotherhood in hearing the program on the Christian Home presented by Rev. and Mrs. John Knight.

The July meeting took the form of a prayer retreat at the West Asheville Church. This was an enriching experience for all who attended.

Mrs. Wm. T. Hodges will assume the position of Vice President for the new year, while Mrs. Paul W. Jones will replace her as Director of Mission Study. Mrs. Jack Garland is now Director of Community Missions filling the vacancy left by Mrs. Charles E. Waldrop. The nominating committee was composed of Mrs. Joe Rector, Miss May Kennedy, Mrs. Lester Crayton with Mrs. W. B. Sprinkle as Chairman.

All the officers pledge themselves to the continuing task of the Great Commission.

Respectfully Submitted,

Mrs. A. T. Usher

MUSIC COMMITTEE REPORT

With the Associational Music Director serving as Chairman, the Associational Music Committee attempts to develop an associational music education program that can benefit every church, encourages the development of a music ministry in each church, sets the dates for, and promotes festivals, hymn sings, schools of music, and other activities and works closely with the State and Convention-wide Music Departments, coordinating their activities with Association plans.

During the past year the following activities were sponsored by the music committee:

The Associational Director conducted our own planning meeting. On November 16 members of the committee attended the State Music meeting preceding the Convention in Greensboro.

Handel's oratorio, "The Messiah", was presented by members of choirs from churches of the Association for the fifth time, with 111 in the chorus, accompanied by a small string group and organ. There were approximately 1250 in the audience.

The Regional Music Festival for Junior, Intermediate, and Youth choirs was held at Asheville First February 25, and the Adult Choir Festival was held at Grace on March 5. The majority of the choirs attending were from our association. Many of these went on to the State Festivals at Mars Hill and Wake Forest College.

In addition to these general meetings, the committee furnished special music and leadership for the Annual Association meeting, and other mass meetings during the year.

The Music Committee met periodically throughout the year for planning, and to discuss how we might help to improve the quality of music in the churches of our association. We urge that each church initiate a local training program during the coming year, either with music classes or a local school of music. We hope, too, that even more of our churches will participate in the Regional and State Festivals, and will sponsor attendance at the Music Leadership weeks at our State and Southwide assemblies.

We urge that each church participate in the Associational Music School scheduled for October 18-22, also the Associational-wide Carol Sing Wednesday, December 22.

Respectfully submitted,

Carl Perry

Associational Music Director

SUNDAY SCHOOL

Jesus said for us to go out into the highway and hedges and compel them to come in. Many churches in our association showed significant increases in enrolment this year. Oh, that every member of every church in Buncombe Association were burdened enough about the lost and unenlisted to bring them in for Bible study and lead them to Jesus.

Your Association promoted its meetings with a response somewhat better than the preceeding year. We plead your help in attending and promoting our meetings. We will do our best to see that each conference and speaker will be most worthwhile.

Most significant to all our work during the coming year is our Sunday School Enlargement Campaign scheduled for March 19-25, 1966. We invite every church to participate. A visiting worker for each church could revolutionize Sunday schools in our Association.

We recommend that the Association urge participation of every member church in the Sunday School Enlargement Campaign, March 19-25, 1966.

AMERICAN BIBLE SOCIETY

GODS' WORK FOR A NEW AGE

The American Bible Society's goal of distributing 75 million Scriptures annually by 1966 progressed toward fulfillment as the Society closed 1964 with a worldwide distribution total of 48,675,617.

This record circulation was made possible through increased support of more than 55 denominations, cooperating to meet the rapidly rising need for Scriptures in the mission field of the churches.

150TH ANNIVERSARY. In preparation for a meaningful observance in 1966, meetings with representatives from 33 denominations have been held at Bible House (4 other committees met at out-of-town headquarters). Churches are being urged to designate 1966 as the "Year of the Bible" and to recognize the Bible cause at national or regional meetings; many will include special observance in their programming of future meetings.

"GOD'S WORD FOR A NEW AGE". Focusing on an increase of worldwide distribution to 150 million volumes annually by 1966, church representatives were presented with the challenge to support this three-fold increase with a similar trebling of church contributions.

TRANSLATIONS. At present there are over 3,000 people engaged in translating and revising the Bible. As of December, 1964, at least

one book of the Bible had been published in 1,232 languages and dialects; yet only 235 languages have entire Bibles and only 290 more a whole Testament.

Complete Bibles were published for the first time in **Meru** (Kenya), **Naga:** Ao (India), **Nkore-Kiga** (Uganda), and **Tiv** (Nigeria).

Complete Testament (all New Testament) were published for the first time in **Kapauk** (1963) (West Irian), **Mashi** (1961) (Congo), **Mousoum** (Cameroun), **Palawano** Philippines.

This continuing work is the task of missions and Bible Societies in many parts of the world.

TRAINING UNION

The Associational Training Union is trying hard to carry out the aim of the Training Union which is "Training in Church Membership". God has given all of us talents that must be developed. The Training Union seeks to help church members become more efficient workers by helping them develop their talents. Many new materials and learning aids are available for us to assist us in our training program.

Your associational officers have been busy this year planning, visiting the churches, helping to organize Training Union, and teaching study courses.

Our association was represented in the Junior Memory Work, Intermediate Sword Drill, Young People's Speakers' Tournament, and the Adult Scripture Reading at the Regional Convention. Tom Halliburton from the Hominy Church was regional winner in the 19-24 age group in the Speakers' Tournament. He spoke at the Youth Convention in Charlotte. Brenda Walsh from the Grace Church was regional winner in the 17-18 age group. She was also winner at the Youth Convention and then at our state assembly at Fort Caswell. She spoke at Ridgecrest during one of the Training Union weeks. We congratulate these fine young people.

We had a record attendance at our Youth Night meeting. An accurate count was not taken, but we had well over five hundred in attendance. Several churches reported a good Youth Week.

I want to express my appreciation to each associational officer who has worked so faithfully and to everyone who has contributed to our training program through the local program.

Mrs. Orville Myers,

Training Union Director

MISSIONS COMMITTEE REPORT

Last year at our annual meeting we voted to give to the Glendale group our lots on Glendale Road. This action is still pending because the church has never elected trustees. The present condition of this church is in question.

The Sunday school classes still continue at Craggy Prison. Our thanks go to the Brotherhood for their sponsorship in this area.

On October 9 the Missions Committee was appointed to make a study of the feasibility of having a Baptist building with office space for representatives of the Baptist Children's Homes, the Baptist Hospital, the Homes for the Aging and possibly a Baptist Book store. The amount from the sale of the missionary's home ($6200) was earmarked for this purpose. A study has been made, some suggested floor plans have been obtained from Nashville. No final recommendation has been made as yet.

The Anderson Cove property has been sold for $1000 to be paid at the rate of $500 by February, 1966 and the remaining by February, 1967. We hold a deed of trust and $750 in church bonds.

In cooperation with our missionary we planned, promoted and executed the Central Training School. We urge each church to take advantage of the wonderful opportunity in the Sunday School Enlargement planned for March 19-25, 1966. This will take the place of our Central school next year. The Missions Committee has been asked to plan for the Central Training School three years in advance.

Plans were in the making for a city-wide survey by the Home Mission Board to determine the total mission needs of the city of Asheville. These plans have been delayed with the resignation of Rev. Harold Bennett from the Home Mission Board. It is still hoped such a survey can be accomplished either in cooperation with the State or Home Mission Board.

The Missions Committee was authorized to offer our two lots on State Street plus $1,000 to boot for five lots on Michigan and Cordova Streets. The purpose for this being to begin a work in the area of the Pisgah View Apartments. Upon further checking it was found that one of the five lots was not available. A recommendation from the Missions Committee is yet to come to the Association.

As we look to the future there are some areas which need our attention:

1. A realistic approach to the mission needs of the Pisgah View Apartments is immediately before us. A local church to sponsor this work in cooperation with the Association is badly needed.

2. Are we doing all we can concerning juvenile delinquency? What are we doing in the area of recreational and camping activities for our young people?

3. We should gain more understanding of the problems of alcoholism. We should use all resources such as the Bethsadia Rehabilitation Center, Flynn House, the Alcohol Information Center and Alcoholic Anonymous in rescuing those who are victims of this disease. Also we should use education as a preventive measure while doing everything we can to stop the liquor traffic.

4. There is a need for a day care nursery operated on a sliding scale for the children of working mothers.

5. What about the possibility of other week-day ministries patterned after the Good Will Mission Center to the blighted areas? Revell Memorial Chapel is doing this on a limited scale. In a survey made there in 1961 there were 520 prospects for that work in a half circle of 2000 feet radius. How many more such areas are there in our city?

6. Effectively reaching and meeting the needs of those living in dormitories and apartments in the city.

7. Increased cooperation with the Negro brethren in meeting the spiritual needs of that host of people.

8. Realistic approach to the benevolent needs of this area designated as a poverty pocket. A cooperative plan needs to be worked out in this area.

9. Locating and setting up a program to meet the need for more literacy in a section that ranks among the highest in the U. S. in illiteracy.

10. Cooperation with the mental health clinic and other agencies in the field of mental health.

11. There is no Sunday school class for the deaf in any church of our city.

12. And lastly we should look to fulfilling a dream of Rev. J. C. Pipes that there be a full time chaplain for the hospitals sponsored by the Association. This dream includes a little space at Memorial Mission Hospital for counseling and extending the visitation ministry to all the hospitals and the nursing and rest homes .

Of course you know that all of what has been done and what will be done has the cooperation and hard work of Missionary E. V. Plemmons and his faithful secretary, Mrs. J. C. Pipes. To these we express our appreciation.

Respectfully submitted,

James Parham, Chairman

AUDITOR'S REPORT

An audit has been made of the financial records of the Association. Receipts and disbursements were checked and found to be properly accounted for. Bank statements were reviewed and found to be in order and properly reconciled. Reports for the year were checked and they are correct, accurately reflecting the financial status of the association and its operation well within the set budget for the year. The association is fortunate to have its financial records so well maintained.

Association Auditor

ORDINATION COMMITTEE

At the request of the West Asheville Baptist Church, the Ordination Committee of the Buncombe Baptist Association, composed of the Revs. M. L. Kirstein, I. V. Couch, Horace Smith, George Hocutt, and Edward Ingle, met at the First Baptist Church, Asheville, May 24, 1965 for the purpose of examining Mr. Fred Werhan for the Gospel Ministry.

The candidate was asked by the Chairmen to relate his conversion experience and his call to the Gospel Ministry. Then he was asked by the Chairman and the Committee the following questions: "What do you believe about the Bible as the Word of God, Jesus Christ, the Son of God, the depravity of man, the Ordinances of Baptism, and the Lord's Supper"? The candidate was also asked if he were willing to work within the frame work of the Southern Baptist Convention. To all the questions the candidate answered satisfactorily to the committee.

This closed the questioning of the candidate, and George Hocutt made a motion that the Committee recommended the candidate to the West Asheville Baptist Church for ordination. The motion was seconded by I. W. Couch, and the Committee voted unanimously in favor of the motion.

BIBLICAL RECORDER

With serious moral issues facing us on overy hand, Baptists need an accurate and comprehensive source of information. Secular papers cannot meet this need. These papers cover so many things — sports, society, business, obituaries, entertainment, national and foreign affairs, to mention a few. All too often religion is found only on a Saturday church page — if at all.

In the past year those who look to the secular press for coverage of Baptist events were disappointed on more than one occasion. The Southern Baptist Convention in Dallas and the Baptist World Congress in Miami Beach provide two examples. Even the best of the daily papers had no more than one article a day on these meetings. Some had none.

Where can Baptists get coverage of these and other significant meetings? The BIBLICAL RECORDER, their dependable medium of information for 132 years. Typical of its service, the RECORDER devoted special editions to these important meetings at Dallas and Miami Beach. Many people who read these issues said they felt like they were there. This is the RECORDER'S job — to be our eyes when we cannot be there.

In many other ways the RECORDER serves its readers. For example, a bill was introduced in the 1965 General Assembly that would have legalized distilleries in our state. Editorials in the RECORDER aroused our people and they, in turn, contacted their legislators. The bill was soundly defeated. A liquor-by-the-drink bill can be expected in the 1967 Assembly. Again, the RECORDER will keep you informed. With so many papers now accepting beer and liquor advertising, the question arises as to how they can give unbiased coverage to liquor proposals.

Let's talk money for a moment: The average Baptist family

spends at least 50c to $1.00 a week on newspapers with little complaint. And yet, for only 4c or 5c a week — the cost of a stamp — the RECORDER can come into a home. If your church does not have a RECORDER club, please see that one is organized. Only four people are needed to form a club. Better still, send the RECORDER to every family under the Church Budget Plan. Our Baptist people must be enlisted in the fight against evil. The best way this can be done is through the pages of the BIBLICAL RECORDER.

MISSIONARY'S REPORT

Buncombe Association is the hub of Baptist work in Western North Carolina. We have more churches than any association in North Carolina. In population we have grown from 130,000 in 1960 to 142,000 in five years. We have not kept pace with our population growth. Our world is fast changing, but our churches have been slow in accepting changes; therefore, we are losing our people. We must be aware of man's problems and go outside our marble walls and stained glass windows to help solve them.

Allow me to take this opportunity to thank everyone who has had a part in making this one of our best years in the Association. From about one-half of the letters we find a good increase to missions, most of our churches have had two weeks of Bible School; Sunday School and Training Union have increased in enrollment, and we have three churches coming into the Association. This gives us a total of 94 churches.

Below is a report of some of my activities as your missionary the past year. It would have been impossible to have followed this schedule without your cooperation and prayers.
